

Back to school manifesto

I will have **good** days and **NOT SO GOOD** days.

I will be patient with myself on the
not so good days.

I will treat others with
kindness.

I will be **kind** to myself too.

Sometimes,
things will be **HARD**
And I'll remember I can do
hard things.

I will remember that the goal of
school is to learn and be

curious

Not to be perfect.

I will help others.

And I will ask
for **HELP** when
I need it.

But most importantly, this year:
I will be myself.
I will grow.
I will make friends.
I will have fun.
