

## LEHNER INVESTMENTS ART COLLECTION FUND

**For eligible CoInvestors only!**

Launch Date: 2025-Q3

ISIN: MT7000036075

### OBJECTIVE of the LIACF

The objective of the LEHNER INVESTMENTS ART COLLECTION FUND is to achieve above average returns with a very low correlation to other asset classes on the mid- and long-term view by acquiring, curating as well as managing and ultimately selling Fine Art.

### STRATEGY of the LIACF

The strategy of the LEHNER INVESTMENTS ART COLLECTION FUND is to discover opportunities world-wide to acquire Fine Art at attractive prices, then to curate and manage each piece to ultimately sell it privately or publicly with the highest possible profit.

### Manager's PERFORMANCE

The below chart shows actual trades (no back testing) facilitated by the fund's art portfolio manager as examples of what was achieved the past on. These performances are never a guarantee of future results. However, they give an indication of what might be expected.
