☀️ Zone 126 Beyond the Bell @ IS 126Q – Program Guide ☀️

Program	Description
👋 Afternoon Kick-Off (Arrival, Attendance & Daily Wellness Check-In)	Afternoon Kick-Off provides participants with a smooth transition from the school day into the after-school program. Staff welcome students, take attendance, conduct a daily wellness check-in, and foster a sense of belonging through positive conversation and relationship building. Parents and guardians are contacted promptly when an expected participant does not arrive to ensure student safety and accountability.
🍏 Fuel-Up (Snack or Supper)	Fuel-Up provides participants with a nutritious snack or supper in a welcoming and inclusive environment. This time encourages healthy eating habits, positive social interaction, and allows students to recharge before participating in academic support and enrichment activities.
📖 Study Zone (Academic Support & Literacy)	Study Zone is dedicated to academic achievement and literacy development. Participants receive homework assistance, tutoring, academic enrichment, and opportunities for independent reading. Staff provide individualized support to strengthen classroom learning, reinforce study skills, and encourage a lifelong love of learning.
☀️ Pathways ☀️	
🏠 Bridge to Success Club	The Bridge to Success Club prepares middle school students for a successful transition to high school through leadership development, academic readiness, goal setting, and college and career exploration. Students build the confidence, organizational skills, and knowledge needed to navigate high school successfully while developing a plan for their future academic and career goals.
🎮 Connect Level Up Club	Level Up Club offers participants opportunities to engage in board games, card games, chess, strategy games, cooperative challenges, and age-appropriate digital gaming experiences, as available. Through friendly competition and teamwork, students strengthen critical thinking, communication, collaboration, sportsmanship, and problem-solving skills in a fun and inclusive environment.
🎭 Drama PAWS Creative Arts Club	The Drama PAWS Creative Arts Club provides students with a safe and creative space to build confidence, develop social-emotional skills, and express themselves through theater, movement, storytelling, music, and visual arts. Through interactive activities and performances, students strengthen communication, teamwork, creativity, and self-expression while fostering resilience, empathy, and positive peer relationships.
🗣️ Debate Club	The Debate Club helps students build confidence in public speaking, critical thinking, and respectful communication. Through engaging debates, current events discussions, and team activities, participants learn to research topics, develop evidence-based arguments, think critically, and express their ideas while listening to and respecting different perspectives. The club promotes leadership, collaboration, and civic engagement in a fun and supportive environment.
💃 Dorrill Dance Initiative	The Dorrell Dance Initiative introduces participants to dance as a form of artistic expression, physical wellness, and cultural appreciation. Through engaging instruction, students explore movement, choreography, teamwork, and performance while building confidence, discipline, creativity, and self-expression in an inclusive environment.
🎨 Groundswell Mural Arts	Groundswell Mural Arts engages participants in collaborative public art projects that explore community identity, leadership, and social justice. Students work together to design and create murals while developing artistic techniques, critical thinking, teamwork, civic engagement, and pride in their communities.

 Move & Improve	Move & Improve promotes healthy lifestyles through structured physical education, recreational games, fitness activities, and team sports. Participants develop teamwork, sportsmanship, leadership, coordination, and lifelong healthy habits while engaging in safe and active play.
 Stream Team	The Stream Team empowers students to create engaging digital content that highlights school events, student achievements, and topics that matter to their community. Through short-form videos, interviews, photography, and multimedia storytelling, students develop communication, creativity, teamwork, digital literacy, and responsible media skills while amplifying student voice in a positive and engaging way.
 Studio 126	Studio 126 is Zone 126's signature painting and creative design club. Participants explore painting techniques, artistic styles, and creative projects while expressing their individuality, building confidence, and developing artistic skills through guided and independent creative experiences.
 The Art Lab	The Art Lab encourages creativity through hands-on visual arts and crafts projects using a variety of artistic mediums. Participants develop creative expression, problem-solving skills, and self-confidence while exploring painting, drawing, sculpture, mixed media, seasonal projects, and collaborative art experiences.
 Urban Lens	Urban Lens introduces participants to the art of photography through both traditional and modern techniques. Students explore the evolution of photography by experimenting with Polaroid cameras, disposable cameras, digital cameras, and smartphone photography while learning how each medium captures light, color, perspective, and storytelling in unique ways. Through creative projects, participants develop skills in composition, editing, observation, and visual storytelling while documenting their school, neighborhood, and community.
 Wrap-Up & Dismissal	Wrap-Up & Dismissal provides participants with an opportunity to reflect on the day's experiences, celebrate accomplishments, and prepare for a safe departure. Staff facilitate a brief closing circle, share program announcements and reminders, recognize positive participation, and ensure all participants are dismissed safely to their authorized parent, guardian, or designated pick-up person in accordance with program procedures.
