**EXPERTISE** Special Districts

Timothy J. Flynn is an attorney at Ireland Stapleton who has practiced law since 1980. He represents a wide range of local government clients, including special districts, with a particular emphasis on water and sanitation districts, as well as authorities and municipalities. Tim brings a broad background in real property and general litigation to his practice.

Tim is a graduate of Claremont McKenna College and the University of Utah College of Law. His current practice focuses on the representation of local governments, general litigation, probate administration, and wills and trusts.
