How to:

Add a bank account

Link your bank account to Brightwell Navigator and get even more ways to send money home

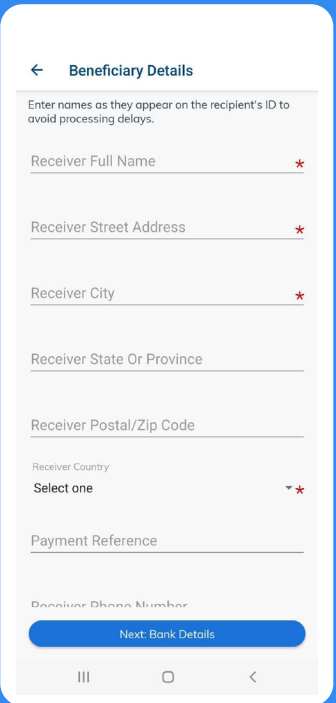

Settings   Log out
- My bank accounts
- My card
- Security
- Notification preferences
- Date format   USA
- Disclosures

Log in to your Brightwell Navigator account tap **Settings,** then tap **My bank accounts**

← Currency Exchange

Currency Exchange

You have selected to deposit **Indian Rupee** (INR) into a bank account in **India**.

You are being paid in Euro (EUR). A Foreign Exchange (FX) transfer will be made and local currency deposited to the account.

If the bank account is not held in Indian Rupee (INR), you may be charged additional service fees by the bank.

[Confirm Currency Exchange]

Select the currency of the bank account*
Tap **Confirm Currency Exchange**

*If you select a currency that is different from the account added, the bank may charge additional fees to exchange the currency.

← Beneficiary Details

Enter names as they appear on the recipient's ID to avoid processing delays.

- Receiver Full Name   *
- Receiver Street Address   *

Bank State Or Province
Bank Postal/Zip Code

Bank added successfully

Please allow 2–3 business days to complete the bank account verification.

OK

Bank Swift Branch Details
Bank Account Number/IBAN   *
Add/Edit Intermediary Bank

[Add Bank]

Enter in all the required bank details.
Name = name of the bank
Address = local address of the bank you visit
Tap **Add Bank**

Tips about adding a bank account:

Make sure that your bank details are correct: Any changes require approval (typically 24 hours)

Requirements for most banks:

- Bank account number
- Routing number (IFSC, SKN, or Sort code)
- SWIFT code
- Bank Address

Remember: Brightwell must approve your bank account before it is available. Bank accounts approvals typically take 24 hours
