LUCINO-B
Surface Ceiling-Mounted LED

AXION

IP65 OUTDOOR RATED   CE   GS   TÜV   CB

Lucino-B is a compact, IP65-rated surface-mounted LED ceiling light designed for reliable performance in demanding indoor and semi-outdoor environments. Its sealed construction and IK08 impact resistance make it suitable for corridors, stairwells, parking areas, service spaces, and utility rooms where durability and consistent illumination are essential. Lucino-B delivers uniform wide-beam lighting with high visual comfort, available in multiple wattages and diameters to suit different ceiling heights and application needs. With a clean, minimal form and efficient LED performance, it provides a practical, low-maintenance lighting solution for residential, commercial, and hospitality projects.
