

TITO 15W

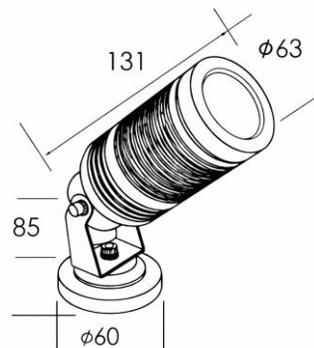

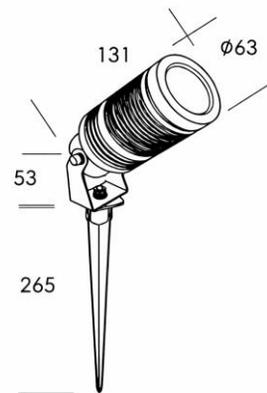

High Power Outdoor Directional LED Spotlight

TITO 15W is a compact, high-output LED garden and spike light engineered for precise outdoor accent and landscape illumination. Built around a robust aluminum housing with adjustable aiming, it delivers controlled, glare-reduced light for planting beds, pathways, façades, and architectural details. High-efficiency optical lenses provide accurate beam definition with multiple beam angle options to suit focused or wider illumination needs. The IP-rated construction ensures dependable performance in demanding outdoor environments, while the CREE COB LED and constant-current driver deliver stable output and long service life. Designed for professional landscape and architectural applications, TITO 15W combines durability, visual precision, and installation flexibility in a clean, compact form.

Technical Data

Product Type	LED Garden Spotlight
Light Source	CREE COB LED
Rated Power	15W
Power Consumption	14.1W (DC) / 15.2W (AC)
Input Voltage	DC12V / DC24V / AC220–240V
Lens Beam Angles	15° / 25° / 38° / 60°
Optical Efficiency	≥85%
Housing Material	Aluminum anodized finishing & powder coating
Glass	Tempered glass, T=3mm
Lens Type	Optical lens
Cable Gland	Copper and nickel coated
Gasket	Tooling shaped seal
Driver	Constant current output
Spike Material	PVC (grey or black)
Mounting Base	Aluminum anodized finishing or powder coating
Power Cable	H05RN-F 2×0.75mm ² L=1m (low voltage) / H05RN-F 3×0.75mm ² L=1m (high voltage)
IP Rating	IP65
IK Rating	IK04
Installation	Ground spike mounted, adjustable base

TITO 15W

High Power Outdoor Directional LED Spotlight

Model No.	Light Source	Beam Angles	Power	Input Voltage
7081147	1×14W CREE COB LED	15° / 25° / 38° / 60°	14.1W	DC12V / DC24V
7081148	1×14W CREE COB LED	15° / 25° / 38° / 60°	15.2W	AC220–240V
