

ZAVO S

Slim Recessed Square LED Downlight

ZAVO S is a slim, square recessed LED downlight engineered for clean architectural ceilings and uniform general illumination. Featuring a die-cast aluminium housing with an IP44-rated front face, it delivers reliable performance in residential, commercial, and hospitality interiors. The wide 120° beam ensures smooth, glare-controlled light distribution, making it suitable for open areas, corridors, retail spaces, and offices. Designed around high-quality OSRAM SMD chips, ZAVO S combines efficient lumen output with long-term stability. Its compact square form, multiple wattage options, and precise cut-out sizes allow easy integration across different ceiling layouts while maintaining a consistent, minimalist aesthetic.
