

# Earth Sea Sky Tops Sizing Chart

How to measure:

- Compare your body measurements to the size charts below.
- Body measurements should be taken while wearing light clothing comfortably.
- Sleeve length is taken from the neck point, over the shoulder, elbow and cuffs.

## Men

| Size | Chest (cm) | Waist (cm) | Sleeve (cm) |
|------|------------|------------|-------------|
| S    | 95         | 80         | 89          |
| M    | 100        | 85         | 90          |
| L    | 105        | 90         | 91          |
| XL   | 110        | 95         | 92          |

## Women

| Size | Bust (cm) | Waist (cm) | Sleeve (cm) |
|------|-----------|------------|-------------|
| S    | 85        | 70         | 74          |
| M    | 90        | 75         | 75          |
