

PIONEERING INNOVATION, POWERING PROGRESS

# T-REX

MODEL X

THE FUTURE OF STONE AUTOMATION™

## 35HP

The Highest HP Saw and Router in the Industry.

## BUILT-TO-LAST

The highest square footage cut and fabrication globally, boasting a minimum of 250 sf per shift, the lowest cost per square foot.

## CUTTING-EDGE

The fastest cutting machine for quartzite, porcelain, quartz, and granite in the industry.

## HYBRID CYCLE™

The T-Rex has transformed stone countertop fabrication by streamlining it into a single-step process, rendering traditional methods obsolete.
