ABOUT

US

Monica Kelsey founded Safe Haven Baby Boxes in 2015 after an inspiring trip to South Africa. During this trip, Monica saw a Baby Box in action and saw how it provided a safety net for parents in crisis. Monica made it her mission to help parents in crisis as her own birth mother was when she abandoned Monica as an infant. The first step is raising awareness and educating the public about the Safe Haven laws.

Safe Haven Baby Boxes is the only organization providing an anonymous option for parents to safely surrender their infant. Illegal abandonments show us that mothers are seeking to keep their identity secret. We seek to rewrite the story by giving mothers and innocent infants a better chance. The infant will go through a closed adoption and the parents free from prosecution.

Our organization staffs a 24 Hour National Crisis Hotline, 1-866-99BABY1. The hotline has provided counseling for over 7000 callers from all over the United States. This service has led to over 125 babies surrendered at Safe Haven locations and 31 babies thus far surrendered in a Baby Box.

WHY DO COMMUNITIES NEED A BABY BOX?

Many women in crisis want and need anonymity when surrendering an infant, either because of fear of being recognized, the stigma associated with the surrender, or fear of prosecution due to the lack of knowledge and misunderstanding of the Safe Haven law.

It provides the community the opportunity to proactively save the lives of children since many are not aware of the Safe Haven Law.

The Baby Box is tangible, and the Safe Haven law is not. By having a Baby Box in the community, you are providing an opportunity to further educate about the law.

We hope and pray for a face-to-face surrender as it benefits both the mother and infant. The Safe Haven Baby Box hotline provides counseling to women in crisis and only suggests the Baby Box when it is the last option.

Lack of knowledge about the law and prohibiting anonymity has historically produced catastrophic and devastating results of babies being abandoned.

June 2022

Horrible headline. Graphic details. Heartbreaking outcome.

- Birth mother abandoned baby in subzero temperatures in a gravel pit
- A dog found the deceased baby and carried the baby to its owner's nearby home
- Lee Ann Daigle was identified by genealogy DNA after 36 years of a cold case and will serve 6 years in prison after being charged with murder

HOW DOES THE BABY BOX WORK?

How does a parent use the Baby Box?

Road to Active Baby Box

Alarm is set up and tested. It must reach 7 successful days of consecutive testing.

Baby Box goes live and available to aid infants with parents in crisis.

Training for Safe Haven Baby Box provider personnel.

Baby Box Unveiling and Blessing occurs.

Contract (Lease and Service Agreement) is signed with location and initial fee is sent to SHBB.

Baby Box order is placed and approximately 4 weeks later the box is produced. During this time the location will search for a licensed contractor to install the box and an alarm system company.

Contract for SHBB is reviewed by attorney and fundraising begins.
