ABOUT US

Monica Kelsey founded Safe Haven Baby Boxes in 2015 after an inspiring trip to South Africa. During this trip, Monica saw a Baby Box in action and saw how it provided a safety net for parents in crisis. Monica made it her mission to help parents in crisis as her own birth mother was when she abandoned Monica as an infant. The first step is raising awareness and educating the public about the Safe Haven laws.

Safe Haven Baby Boxes is the only organization providing an anonymous option for parents to safely surrender their infant. Illegal abandonments show us that mothers are seeking to keep their identity secret. We seek to rewrite the story by giving mothers and innocent infants a better chance. The infant will go through a closed adoption and the parents free from prosecution.

Our organization staffs a 24 Hour National Crisis Hotline, 1-866-99BABY1. The hotline has provided counseling for over 7000 callers from all over the United States. This service has led to over 225 babies surrendered at Safe Haven locations and over 85 babies thus far surrendered in a Baby Box.

Many women in crisis want and need anonymity when surrendering an infant, either because of fear of being recognized, the stigma associated with the surrender, or fear of prosecution due to the lack of knowledge and misunderstanding of the Safe Haven law.

WHY DO COMMUNITIES NEED A BABY BOX?

It provides the community the opportunity to proactively save the lives of children since many are not aware of the Safe Haven Law.

Lack of knowledge about the law and prohibiting anonymity has historically produced catastrophic and devastating results of babies being abandoned.

We hope and pray for a face-to-face surrender as it benefits both the mother and infant. The Safe Haven Baby Box hotline provides counseling to women in crisis and only suggests the Baby Box when it is the last option.

The Baby Box is tangible, and the Safe Haven law is not. By having a Baby Box in the community, you are providing an opportunity to further educate about the law.
