KARMAK | RoadSync

## ROADSYNC & KARMAK INTEGRATION

# MODERNIZE YOUR HEAVY DUTY OPERATIONS

Built for the demands of heavy duty repair, the Roadsync Checkout and Karmak Fusion integration streamlines payments, eliminates double entry, and keeps your shop running at full speed.

**FASTER INVOICING** | **AUTOMATED PAYMENT TRACKING** | **NATIVE INTEGRATION WITH KARMAK**

# TRUCK REPAIR DESERVES SMARTER PAYMENTS.

## AN INTEGRATION BUILT FOR HEAVY-DUTY REPAIR.

The RoadSync X Karmak Fusion integration means getting paid without leaving your SMS. Every payment type your customers carry, fuel cards and fleet checks included, plus chargeback defense and pre-authorization to protect your revenue.

**SEAMLESS KARMAK INTEGRATION.**
Effortlessly sync your transactions with Karmak to remove duplicate data entry and keep your financial and operational records perfectly aligned.

**FASTER, MORE EFFICIENT INVOICING.**
Reduce manual work with a more efficient invoicing workflow. Generate and send invoices in minutes, accelerating payments and improving cash flow.

**AUTOMATED PAYMENT TRACKING & MATCHING.**
Say goodbye to manual tracking. Payments are automatically applied to the correct invoices, minimizing errors and ensuring accurate, real-time financial records.
