

Smart Sticker

SMART LOGISTICS STICKER

PRODUCT DESCRIPTION

The Smart Logistics Sticker is a sticker-style tag that enables precise global positioning based on a Bluetooth crowdsourcing network, without the need for an additional SIM card. The device is only 1mm thick and weighs just 4 grams. It uses a flexible manufacturing process allowing it to be easily attached to curved surfaces. The device is powered by an eco-friendly, safe, and biocompatible zinc-ion battery, offering up to 40 days of continuous operation. This makes it ideal for various applications, including logistics, transportation, and asset management.

SUPPORTED STANDARD / TAGS

Dimensions	65 x 56mm Thinnest: 0.4mm Thickest: 1.2mm
Weight	4.0g
Bluetooth	Bluetooth 5.0
Battery	Built-in 25mAh non replaceable Eco-friendly Zn-Mn Battery
Range	Up to 20 meters (in the open area and no obstacles)
Material	Waterproof paper / Thermal paper
Operating Temperature	0° up to 45°C
Lifetime	40 Days (Operating time is reduced at low temperatures)
Certifications	CE, FCC, RoHS
