

Saral

From Steps to Stories

About Us

Beyond
Straight 'A's

Saral is an India-based art education company partnering with 55+ schools across **Telangana and Karnataka**.

Our vision is to nurture children into confident, expressive individuals through art education by integrating it into the school curricula. We equip schools with qualified art teachers and structured programs in speech & drama, dance, music, and other art forms to support children's holistic development.

The Four Quotients

Art education builds the four key quotients: IQ, EQ, SQ, and AQ. This approach supports a child's total development

IQ (Intelligence)

Thinking, reasoning, and problem-solving developed through academics.

SQ (Social)

Collaboration, communication, and confidence through performance.

EQ (Emotional)

Understanding emotions and self-awareness built through expression.

AQ (Adversity)

Handling challenges, tensions, and setbacks through stage experiences.

Speech & Drama
