

GRADE 2 NEWSLETTER

JUNE 2025

What We're Learning

ELA: Module 9: Home Sweet Habitat

Through reading a variety of texts and collaborative work, children will explore how the conditions in different habitats help different animals to survive.

Math: Add and Subtract within 1000

Module 10 & 11 Add within 1000 using models and strategies

Science: Animal Habitats

Children will learn about the different habitats where animals live. Hot deserts, warm rainforests, and cool, underwater habitats all provide food and shelter for the animals that live there.
