

5th Grade School Supply Guidance

Dear Families,

Welcome to fifth grade! We look forward to welcoming the scholars in the fall. Below is the school supply list. This year students **will receive their notebooks and folders from the teachers**. There will be a color-coded notebook and folder system in place. This system will make it easier for your child to locate and store assignments. Please send the items below by the end of September.

If you are experiencing difficulty in securing items, please let your child's teacher/s know. Please note that cluster teachers may request additional supplies at a later time.
