

TURNING INNOVATION INTO APPLICATION

## WE ARE GXM

Founded in 2008, GXM is a team of innovative technologists dedicated to creating solutions that merge technology and innovation.

We tackle challenges in interoperability, integration, and implementation by developing new pathways through R&D, rapid prototyping, and infrastructure modernization — **turning innovation into application.**

## CERTS & CODES

- DCAA Audited Rates / CPFF Prime Contracts
- Excellent DCMA Technical Ratings
- SBA Certified SDVOSB

## PRIME CONTRACTS

- GSA MAS
- DIANA-NATO
- OASIS+ (R&D, M&A Domains)
- JEOD DSS
- SEAPORT NXG
- ERDC CSO

## WHAT WE DO

### DESIGN & COMPLIANCE FRAMEWORKS

- UI/UX & CX Design
- Human Factors
- Accessibility & Compliance

### INTEGRATION & QA TESTING

- Verification & Validation
- Integration Architecture
- QA and Automated Testing

### INTELLIGENT CLOUD & DATA

- Cloud & On Prem Solutions
- Big Data Modeling & Architecture
- Rapid Experimental AI Development

### SOFTWARE DEVELOPMENT

- Prototype Development
- Cross-Platform Development
- Software & Data Engineering

### DEVSECOPS & DEPLOYMENT

- Technology Scouting
- Secure Environment Setup
- Cybersecurity Protocols
- CI/CD Pipelines

### PRODUCT & PROJECT MANAGEMENT

- Agile: Scrum/Kanban/SAFE
- Fund/Emerging Technology Analysis
- Innovation Programming
- Fluid Operations Framework
