

Dear friends and colleagues,

We hope you are keeping well. Please find below highlight of today's updates.

1. Webinar recording of DestinAsian Virtual Roundtable - Tourism in Thailand: The Road Forward: watch the full recording in YouTube: [https://www.youtube.com/watch?v=Ml4\\_yTpY9dl&feature=youtu.be](https://www.youtube.com/watch?v=Ml4_yTpY9dl&feature=youtu.be)
2. The Civil Aviation Authority of Thailand (CAAT) has issued recommendations for the 11 exempt types of travelers planning a trip to Thailand. The eligible travelers must obtain in advance a Certificate of Entry from their local Thai embassy or consulate abroad, as required under the order of the Center for COVID-19 Situation Administration (CCSA). [Here are the CAAT's recommendations.](#)

## CAAT's recommendations for the 11 exempt types of travelers planning a trip to Thailand

As of July 2020

SCAN ME

List of the 11 exempt types of travelers

Civil Aviation Authority of Thailand,  
Tel: +66 (0) 568-8800.

1

### Predeparture

- Check whether they are individuals as described in the 11 exempt types issued by the CAAT.
- Prepare the necessary relevant documents as required for the different types of individuals.
- Contact the nearest Thai embassy or consulate to submit the documents and follow the terms and conditions for the flight bookings to obtain the 'Certificate of Entry.'

2

### Departure date

Show the following documents and items to the airline at the check-in counter:

- Passport.
- Certificate of Entry.
- Health certificate clarifying no risk of COVID-19, using a RT-PCR laboratory technique, issued no more than 72 hours before travelling (required from passengers in Types 2, 3, and 6-11).
- Health insurance policy showing a minimum coverage for COVID-19 of not less than US\$100,000 (required from passengers in Types 5-11).
- Surgical masks and alcohol-based hand sanitizer (per the approved amount).

3

### Onboard the aircraft

- Wear a surgical mask during the flight.
- Follow the airline's infection control guidance and restrictions.

4

### Upon arrival

#### For visitors staying no more than 14 days.

- Undergo the COVID-19 testing using a RT-PCR laboratory technique at the airport.
- Download the tracking mobile phone app for COVID-19 incidents.

#### For visitors staying longer than 14 days.

- Undergo the COVID-19 screening (checking symptoms and body temperature).
- Download the tracking mobile phone app for COVID-19 incidents.
- Enter a 14-day local or state quarantine.
