

Bangkok Hospital Group Launches Bangkok-Phuket Cancer Institute

Bangkok Hospital Group in Phuket has inaugurated the Bangkok-Phuket Cancer Institute, enhancing comprehensive cancer care and reinforcing Thailand's position as a leading medical tourism destination. Guided by its "Care Beyond Cure" philosophy, the institute combines multidisciplinary expertise, advanced technology and personalised treatment across [Bangkok Hospital Phuket](#), [Bangkok Hospital Siriroj](#) and [Dibuk Hospital](#). Offering screening, diagnosis, surgery, oncology, rehabilitation and second opinions, the institute provides internationally standardised, patient-centred cancer care with support from specialists throughout the BDMS network.

[Phuket Hotels Association](#) was delighted to join this memorable event and we congratulate Bangkok Hospital Group on this initiative to grow local healthcare.
