

Healing Beyond Borders

The Journey of Dr. Adeel Riaz:
From Clinical Leadership to
Global Impact.

A VISUAL NARRATIVE FOR THE CLASS REUNION

Made By: Dr Raza

The Anchor: Professional Excellence

- **NHS Roots:** Serving as a Family Physician in the UK since 2006.
- **Current Practice:** Dr. A Riaz and Partners at Featherstone Family Health Centre.
- **Clinical Focus:** Special interests in Internal Medicine and Cardiology.

Leadership at Scale

- **Role:** Former Chief of Staff at KAUST Health (Saudi Arabia)
- **Management:** Led a diverse team of 180 staff members
- **Achievement:** Guided the facility to secure prestigious JCI accreditation, setting a global standard for healthcare quality.

Clinical expertise meets executive strategy.

The Pivot: From Success to Significance

“Medicine is not just about treating patients in a clinic; it is about treating communities in crisis.”

The Vehicle: Aghosh UK (Chairman)

Registered Charity No. 1178778

Mission: Building a compassionate society where everyone has access to life's essentials and dignity.

The Four Pillars of Aghosh UK

1. Orphan Care
Empowering the next generation.

2. Healthcare
Critical access for the underserved.

3. Education
Building futures.

4. Disaster Relief
Emergency response infrastructure.

34,000+

Orphans Sponsored & Protected

Beyond simple sponsorship, Aghosh UK establishes 'Aghosh Homes' to provide full residential support.

Ensuring vulnerable children receive food, education, and healthcare needed to thrive.

Crisis Response: The Hurriyah Clinic

- **Location:** Gaza
- **Intervention:** Establishing frontline medical support in a conflict zone.
- **Deliverables:** Distribution of food packs, clean water, and the provision of ICU ambulances.

Community mobilization at the Heal Gaza event.

Sustainable Life Support

Clean Water

Installation of solar pumps and filtration plants serving thousands in remote areas.

Healthcare Access

From diagnostic centers in Mirpur to emergency clinics.

Key Insight:

Utilizing the "Chief of Staff" mindset to build systems that last, not just one-off donations.

Community Engagement

Changing the narrative on the street. Campaigns that invite dialogue and understanding.

A Coalition of Compassion

Extending reach through strategic collaboration.

The Expanded Definition of Healing

“Professional success is most meaningful when it is used to empower others. We are not just providing aid; we are restoring dignity.”

— *Dr. Adeel Riaz*

A Call to the Class

We have achieved success in our careers.
Now, let us pursue significance in our legacy.

Join me in healing beyond the borders of our clinics.
