FACES OF THE FUTURE 125 Scholarships for Thai Hospitality Students by the Non-Profit Phuket Hotels Association

# PHUKET HOTELS ASSOCIATION

The Phuket Hotels Association is a representative body of leading international and local hotel brands in Phuket, a non-profit organisation formed in January 2016. The association currently has over 110 member establishments in a cooperative network of among the best names in the Phuket hotel industry. The Association's primary aim is to support our members, affiliates and partners in their continued success by promoting a well-rounded and dynamic picture of Phuket to travelers from around the world.

We wish to celebrate the island's diversity of natural beauty and its vibrant culture, while also providing educational scholarships, environmental initiatives and other community-based activities to help develop the island's human capital and ensure a bright future, both for the local tourism industry and the local community.

### WHAT WE ARE DOING ?

Through this special fundraising event, the Phuket Hotels Association aims to finance 20+ hospitality scholarships and traineeships exclusively for the benefit of Phuket residents. This will not only enable us to give back to the communities in which we live and work but also provide higher education for those who would have otherwise been denied it. Our goal with the Phuket Hotels Association Benefit was to raise funds through ticket sales to the event, an online auction, as well as generous donations from partner hotels and individuals to finance these initiatives.
