# Finish Strong

**you  
got  
this**

We've reached the point  
in the school year  
where the students are acting  
like siblings who've been stuck  
in the car on a long road trip  
for just a bit too long

**"Great teachers don't just teach lessons; they leave courage, confidence, and wisdom that stay long after school ends."**

WE ARE  
TEACHERS

**Keep Calm  
and  
Finish the  
School Year  
STRONG!**

"Oh, I  
didn't realise  
it was the  
end of term!"

*Said no teacher ever!*

"In June, let your  
hard work and  
dedication shine."

**How do you want students  
to feel when they walk  
out of your classroom for  
the last time?**
