DRA Correlation to Tier Levels for 2022 school year adapted from TC

Students' reading levels are assessed using DRA. Student levels are fall into Tiering Categories in relation to grade level performance

Emerging- Student is reading 2 grade levels below current grade level

Novice- Student is reading 1 grade level below current grade level

Apprentice- Student is reading at current grade level.

Scholar- Student is reading above current grade level

PS 35 performs DRA testing **3** times per year, September, January and May. The levels within the tiers change as the year progresses. Knowing your child's **Tiering and Reading level** will help you support your child's developing reading ability and be the entry point to discuss literacy with your child's teacher
