

5th Grade Summer Reading List

Aligned to Wit & Wisdom

Dear Families of Rising 5th Graders,

We are so excited to welcome you into 5th grade! To help your child do their best and prepare for the 5th grade, we ask that you spend some time this summer reading as many of the selected texts below. All of these texts are aligned to our ELA curriculum, which will help prepare your child for all of the 5th grade units in the curriculum. Many of the texts listed below include a Lexile level, however, please do not worry too much about each text's level, and allow your child to read the books that most interest them.

On the last page, you will find a summer reading tracker. Encourage your child to read new books by keeping track of books they read this summer. Please have your child bring back their tracker to discuss with classmates on the first day of school!
