Mission Statement

PS235's staff, parents, and community are dedicated to providing a whole-hearted student experience that integrates academics with **vibrant arts programs** in a positive, nurturing, and inclusive environment. We uphold the principle of "No Place for Hate", aiming to foster joy in learning while maximizing each student's potential and growth through a comprehensive education. Every student deserves access to relevant and respectful educational experiences in every classroom and school.

Vision Statement

Inspire independent thinking and personal growth, blending academics with a vibrant arts program to maximize each student's potential and innate talents. Our goal is to provide every student with relevant and rigorous educational experiences that bring joy to learning. Together, we strive to empower students to be positive forces for change in their communities.

Instructional Focus

In all grade levels, ELA/literacy teachers will implement Wit and Wisdom with fidelity and authenticity. Math and Science teachers will design standards-aligned tasks that enable students to make their thinking visible through explanation and demonstration of their reasoning. Teachers use data and artifacts of students' reasoning to determine next steps in their teaching and planning for that standard to help all students grow and reach mastery.

Building Locations

The **Main Building** is located at 525 Lenox Road

The **Early Childhood Center (ECC)** is located at 5811 Ditmas Avenue, Brooklyn, NY 11203

If you wish to speak with an administrator you can call and leave a message or send an email. **Please do not show up expecting to be able to see someone without an appointment as there may not be anyone available to speak with you.** Emails will be answered in a timely manner.

Attendance

You will receive an automated “text” on the day your child is marked absent. ***Students are expected to be in school every day for the entire day.*** Should your child be out for any reason, please send in a written note on the day they return to school.

Please note that attendance correlates to performance. If your child is regularly absent from school, they are likely to fall behind academically and socially.

We track the following: absences, lateness, and early dismissals.

Early Sign Out

Your child will only be released to people that are listed on the blue emergency card. An older sibling is not allowed to pick up a student during the school day. If you need to pick up your child before the end of the school day please send a note to your child’s teacher. This will ensure that your child is ready and has homework ahead of time. Upon arrival follow all security procedures as found in this Family Handbook

Please try not to make appointments for your child during the school day as it interrupts instruction **for all**.

PLEASE NOTE: It is important for children to remain in school to learn. Please use early sign out in emergency situations only.

Bell Schedule

Breakfast Hours: 7:30am- 7:50am ([Breakfast Menu](#))

Lunch Hours: 10:45am-11:35am ([Daily Lunch Menu](#))

Daily School Hours: 8:00am- 2:10-2:20pm (depending on the grade)

Birthday Celebrations

In-school birthday celebrations are a simple acknowledgement of a student's birthday. The in-school birthday celebration should not be considered the child's official birthday party. In school celebrations are 15 minutes maximum.

Due to food allergies, dietary restrictions and/or religious observances, parents/guardians may drop off individually wrapped goodies (does not have to be a food item), at the beginning of the day for the teacher to distribute at the end of the day. Families can then decide if the item is okay for their child once they are at home. Highly sweetened snacks are discouraged.

Communication

School Notices: we use **eight (8)** methods of communication with families—**emails, written notices, phone calls, text messages, school app, school website, Google Classroom and Class Dojo.** Our main methods of communication are **emails, school app, Class Dojo and written notices.** Please check your email, school app and child's folder daily for notices and if necessary sign and return to the teacher promptly.

Contacting the School

If you have any concerns regarding your child please adhere to the following protocol:

First contact: Teacher

Second: School Counselor or Parent Coordinator

***Depending on the nature of the issue**

Third: Administration

We encourage you to contact the school whenever there are questions or concerns. If you desire to schedule a conference with a specific teacher or administrator, please make an appointment. Please understand that not all times of the day are good and we will make every effort to accommodate you. Teachers and paraprofessionals have designated days to contact families during the week, Tuesdays through Fridays, excluding holidays and school closures.

Code of Conduct

1. If a student is involved in any physical altercation or threatening offenses as outlined in the NYCPS Discipline Code, that student may receive a teacher removal, Principal or Superintendent Suspension. This can result in the student being removed from the classroom for a period of time. A meeting with the student's parent/guardian and school administration will be required.
2. Any type of physical fighting, whether in self-defense or otherwise, cyber-bullying and being a consistent disruption to the learning environment may result in an out of classroom suspension.
3. Teacher removals: Teachers may remove a student from the classroom for disruptive/and or disrespectful behavior towards adults/and or other students. Three (3) teacher removals may cause a student suspension.

Discipline Code at PS 235

It is our goal to have a safe, respectful school environment for all students. Along with the Citywide Discipline Code we stress the following; **students involved in any altercations with another student must tell an adult immediately.** We do not allow for students to take matters into their own hands as it further exacerbates the situation. We encourage peaceful resolutions. **Keep in mind that even in defense, both students will be**

reprimanded and receive calls home. It is also imperative that all students remain respectful to **every** adult in the school. This includes all personnel and is especially significant during lunch and recess.

NYC Dept. of Education Discipline Code can be found online at:

<https://www.schools.nyc.gov/school-life/know-your-rights/discipline-code>

We have a zero-tolerance policy against acts of harassment, discrimination, or bullying. This includes behaviors that take place outside of school.

Dismissal Procedures

3K, Pre-K, and Ms. Bryan-Dudley's students are brought directly into the mini-building lunchroom entrance on East 39th Street at 2:10.

Grades 1 & 2 students are brought into the school yard at 2:10 PM. Students who are not met by a parent are brought into the auditorium at 2:20 PM. **It is important to be on time and it is best to pick up your child from the schoolyard as the auditorium becomes very crowded.**

Grades 3-5 are dismissed into the school yard at 2:15 PM.

Dismissal Procedures during inclement weather

3K, Pre-K, and Ms. Bryan-Dudley's students are brought directly into the mini-building lunchroom entrance on East 39th Street at 2:10.

Grades 1 -3 students are brought into the auditorium at 2:10 PM.

Grades 4 & 5 students are brought into the main cafeteria at 2:15 PM.

It is important to be patient and courteous with all persons as the auditorium and cafeteria becomes very crowded.

ECC Shuttle Buses arrive at the main building beginning at 2:20. Parents may wait for the buses at the **East 39th** Street entrance. Please do not block the entrance. Students who come off the bus will be escorted directly into the mini-building lunchroom. It is important to be on time for the arrival of your children from the bus as the main building is large. **This is overwhelming for the kindergarten children.**

Vans/After School Pick-Up Any child, who regularly goes home by van or is picked up by after-school and is not going home that way on a particular day **MUST HAVE** a written note from home stating that and who will be picking them up. Without a written note, your child will be sent home in their usual way.

Double Parking

Please note that double parking is ticketable by law enforcement always. Parking by the Lenox Road, East 39th and East 40th Street entrance/exit makes it difficult for the school buses from the ECC during morning pick-up and especially afternoon drop-off. Please do not block the entrance/exit while standing and waiting for your children to come off the bus as it prevents the other students from entering the building. Due to the traffic that is being created, NYPD said they will be coming to the school to both ticket and tow cars double parked.

Engine Idling Law: It is illegal to leave your car engine running for longer than one minute anywhere near a school. Fines begin at \$350.

End of Day Pick-Up Procedure

It is imperative that all students are picked from the school no later than 2:20. It is not acceptable for children to be waiting outside of the school after 2:20 to be picked up. It is the parent's responsibility to make sure that any private van drivers or the person picking up your child is aware that your child must be picked up no later than 2:20 daily. Any child not picked up by 2:20 will be brought up to the auditorium. Your child's name will be recorded and you will be required to sign your child out with the time they were picked up. Repeated late pick-up will result in a warning letter and official measures will be taken if late pick-up continues.

We are mindful that emergencies can happen and pick-up plans on occasion can change. It is important for you to have alternate pick-up arrangements for just that reason. If an emergency, regarding pick-up arises, please call the school before 2:00 to let us know who will be picking your child up. If you cannot get through, call back at 2:30.

Electronics Policy

Cell phones, SMART phones, iPods, MP 3 players, cameras and other valuable items that may cause a distraction are to be turned off upon arrival to the school building before 8:00 and are not allowed to be turned back on until after dismissal at 2:20. All electronic devices must be turned off and out of sight at all times throughout the day.

The school is not responsible if any electronic items brought to school are lost, stolen or broken. If the items are seen, they will be confiscated. Confiscated items will be available for pick up by a parent or guardian the following school day from 8:30-1:30 p.m.

Emergency Blue Contact Cards

It is imperative that all families complete and return **ALL 3 blue emergency contact cards**. It is extremely important that we have accurate information on each of these cards. **The blue contact cards must be kept up to date at all times** with current, working phone numbers and physical addresses. Please include an email address and cell phone number. Include an alternate contact number. All information is kept confidential. ***To update your physical address, email address, phone number, contact and/or pick-up information on your Blue Card you must update your information in NYC Schools Account <https://www.schoolsaccount.nyc/>**

Emergency Drills **(Fire drills/Evacuations and Lockdowns)**

Fire drills and lockdown drills are held throughout the year to familiarize students and staff with safety procedures if ever needed. Families will be notified in advance of upcoming drills.

Smoking is prohibited on and around school grounds.

Evacuation Locations

In the event of an emergency in which the school must evacuate the building, our students will relocate as follows:

- Main Building to M.S. 2, The Parkside Preparatory School
- Early Childhood Center to Nazareth High School

Family Income Inquiry Forms

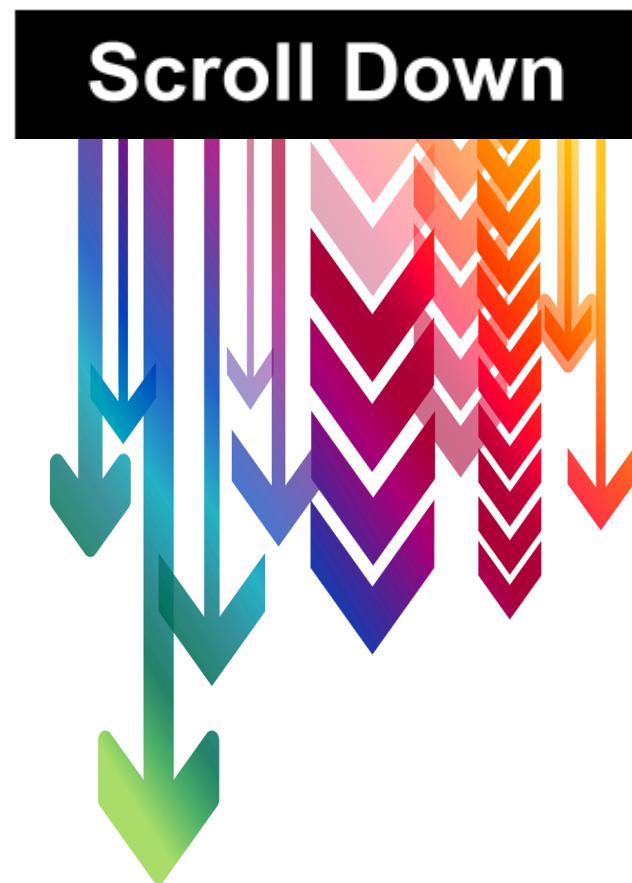

Families, regardless of income, are asked to complete a 2024-2025 Family Income Inquiry Form (formerly known as School Meals Form) so that our school can receive additional funding. You do not have to give any income information if you are certain that you don't qualify, however the NYCPS asks that families submit the form. It is important that you return your family's income inquiry form or complete it online at <https://www.myschoolapps.com/> by December 13, 2024. The school's zip code is 11203.

Remember, **families need to complete a 2024-2025 Family Income Inquiry Form (formerly known as School Meals Form)**. Submit only one form for all children in the household attending school in grades 3K through High School.

We greatly appreciate your support and cooperation.

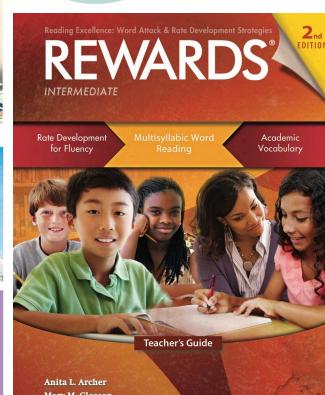

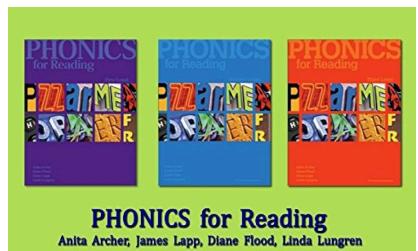

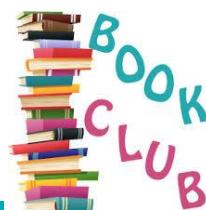

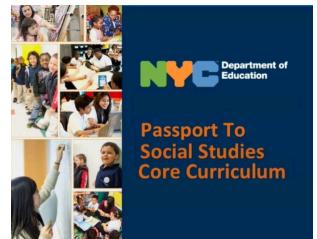

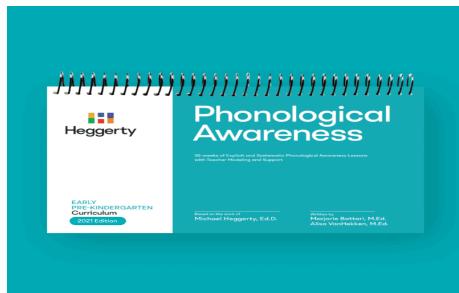

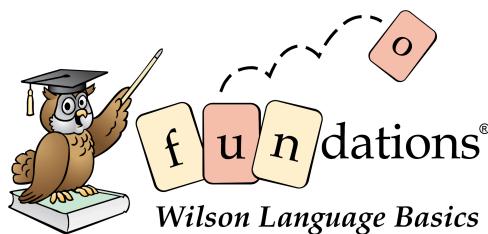

Field Trips

Any student whose behavior may create an unsafe situation when being taken out of the building for a class trip will be excused from trips. This will be based on teacher discretion and consultation with administration. In some cases, the parent may be asked to accompany the student if they are to be permitted to go. [The classroom teacher will notify the parent in advance.](#)

Please do not send your children with money.

When sending in money to school for any reason, trip, No Place for Hate, PTA dues, Senior dues, bake sale, Scholastic book money, etc., it must always be in a sealed envelope with your child's name and teacher on the outside.

Morning Entry Procedures

3K, Pre-K, and Ms. Bryan-Dudley's students are brought directly into East 39th side of the main building at 8:00am.

Early Childhood Center students are brought directly to the main building entrance and staff escort them to the auditorium where they wait for the shuttle bus. A school aide and paraprofessionals will make sure your child is seated and seat belted. Parents are not permitted on the buses.

Main Building Doors open promptly at 7:30 AM. We strongly encourage you to never drop your child off before 7:30 AM as they will be waiting outside without supervision. Students wishing to have breakfast need to arrive as close to 7:30 AM as possible and go immediately for breakfast. **Students eating breakfast must be mindful of the time as they are required to be on-line with their teacher at 8:00 AM or they will be marked absent.**

*Parents please be mindful that the morning line-up is not the time to meet with your child's teacher. Teachers must take attendance and begin instruction at 8:00. If you wish to speak with your child's teacher, please make an appointment by emailing the teacher and copy the grade supervisor.

Morning Entry Procedures during inclement weather

3K, Pre-K, and Ms. Bryan-Dudley's students are brought directly into East 39th side of the main building at 8:00am.

Parent Teacher Conference hours(Virtual)

Afternoon hours are from 12:30 – 2:30 PM.
Evening hours are from 4:30 – 7:30 PM

Grades 3K - 5 virtual Parent Teacher Conferences will be held on November 7th and March 6th

Out of Lunchroom Suspension

Inappropriate behavior during lunchtime may result in a suspension from the lunchroom. Inappropriate behavior includes: consistently being out of his/her seat, running around the lunchroom, throwing food and disrespecting the adults in charge. It is **mandatory** that all students are quiet when the whistle blows, as it is often to make an announcement. Maintaining order in the lunchroom is paramount in keeping a **safe environment for all**.

School Bus Suspension (ECC)

Students, who are disrespectful to the bus driver, remove their seat belts, scream on the bus, get out of their seats and/or fight may be suspended from the Early Childhood Center shuttle bus. It is then the parent's responsibility to bring the student to and from school during the bus suspension.

Your child's safety while on the shuttle bus is our main concern.

Please remind your children to keep their seatbelts on and always stay in their seats.

Preventing Bullying

Respect toward others is one of our most important principles. It is never okay to engage in harassing, bullying, or discriminatory conduct. Students are responsible for their own actions, regardless of how others may be acting. While students do not have to be friends with every single student at school, they should always be respectful.

Reporting Bullying

Students should tell their teacher, school counselor, or member of the school administration team, or another adult (including a parent or guardian) right away if they believe they or someone they know are being harassed, discriminated against, or bullied. Parents and guardians may also report potential acts of harassment, discrimination, or bullying to teachers and administrators, either orally or in writing. There will be no retaliation against anyone who reports or assists in the investigation of potential acts of harassment, discrimination, or bullying.

School Life (Climate and Guidelines)

The New York City Department of Education is committed to ensuring that our schools are safe, secure, and orderly environments in which teaching and learning take place every day. The Citywide Standards of Discipline and Intervention Measures provide a comprehensive description of unacceptable behavior, including incidents involving the internet, drugs, weapons and fighting. It includes a range of permissible disciplinary and intervention measures which addresses student behavior.

Each September, all students will receive a parent letter giving a basic outline of the discipline code and a behavioral contract. Please review and discuss the contents of the letter with your child. Be sure that both you and your child sign and return the behavioral contract to your child's teacher. The entire discipline code can be found on line at:

<https://www.schools.nyc.gov/about-us/policies/chancellors-regulations>

School Nurse

Parents need to inform the school nurse and teachers of any illnesses, allergies, or conditions their child may have. In order for medication (long term only) to be administered at school, a **504 form** must be completed by a physician and parent and returned to the school each September.

School Services

Breakfast is the most important meal of the day. All students are eligible for free breakfast. If your child does not eat breakfast in school, please make sure that they eat a healthy breakfast at home. **Please note that students must go to breakfast immediately upon arrival**, anyone arriving at school after 7:50 am will not have adequate time to eat breakfast before the 8:00 start of the school day. Students who are not on their lines at 8:00 (even if they are at breakfast) will be marked late.

Lunch: There is NO charge for lunch.

School Technology

All students participate in a digital curriculum; we provide all students with laptops to support digital learning. Students learn [digital citizenship](#) to prepare them for the increased digital workload in middle school.

These laptops are not personal devices, and we expect our students to treat them with the utmost care. In the event that you withdraw from PS 235, you are required to return your student's device in the same condition that they borrowed it in.

Security/Safety

The security of our building is top priority. All parents and guests must enter through the Main Entrance at all of our sites.

The Main Building entrance is on Lenox Road near East 40 Street.
The Early Childhood Center entrance is on East 58 Street.

All visitors must sign in with a **valid photo ID** with the security agent at the desk. The security agent will give you a **pass to come to the main office only**. You will then take the pass to the main office and speak with someone there. They will then direct you accordingly.

All passes must be returned to the security agent when you exit the building.

Technology Responsibility Policy

Students must use technology responsibly, abiding by NYCP's [Internet Acceptable Use Policy](#), and [Social Media Guidelines for Students 12 and Younger](#).

Digital Citizenship <https://www.schools.nyc.gov/school-life/school-environment/digital-citizenship>

Internet Acceptable Use Policy <https://www.schools.nyc.gov/about-us/policies/internet-acceptable-use-policy>
