# What People Are Saying

*“I’ve worked with Arndrea for many years, including as her co-host on our shared podcast, My Legacy, and have seen firsthand how she creates conversations that are both deeply human and genuinely meaningful. As a co-host and collaborator, she elevates every episode and the people around her with a steadiness, integrity, and warmth that are both rare and deeply impactful.”*

---

**Marc Kielburger,  
Entrepreneur**

*“Arndrea Waters King is one of the most natural communicators I’ve worked with. She brings clarity, warmth, and intention to every conversation, with an instinctive ability to make people feel both seen and understood. She is thoughtful, collaborative, deeply respectful of the process, and fully present — listening closely, responding with care, and anchoring each moment with purpose. What truly sets Arndrea apart is the way she lifts everyone around her. She leads with kindness, humor, and strength, creating space for others to show up fully and at their best.”*

---

**Lisa Lisle,  
Co-Executive Producer,  
My Legacy Podcast**

*“Arndrea Waters King leads with a balance of strength, empathy, and clarity. She brings people together not by force, but by purpose, creating environments where collaboration, dignity, and shared responsibility can take root. Her leadership reflects a deep understanding that lasting change is built through listening, care, and the courage to lead with integrity. Realize the Dream is stronger because of the way Arndrea models leadership that is both principled and deeply human.”*
