## Quote for PO

### Leadership Clarity Process

The Leadership Clarity Process provides rigorous, evidence-based insight into how this leader's approach is landing at this level – what to leverage, what to adjust, and where to focus development for maximum impact. Includes: three validated leadership assessments, 2-hour expert interpretation session, and comprehensive written report (confidential to the leader).

Amount: \$3,000.00 NZD + GST

07

## Next Steps

Once approved, the leader can book the process online. Assessments are sent within 24 hours of payment. The interpretation session is typically scheduled within 2–3 weeks.
