E600

Integrated Smart POS

New Generation Mobile Electronic Cash Register Solution | All-in-One Housing Unit: Tablet, Printer, PED, Ports | Seamless User Experience | Flexible Base Station PayDroid Powered by Android

Portable & Elegant

With the E600, portability doesn't mean sacrificing features. This solid, all-in-one terminal transforms the shopping experience by allowing customers purchase over the counter, in close interaction with retail staff.

The hand held E600 features a large yet compact display, fast printer and payment acceptance module, allowing any type of transaction to be conducted while on the move.

The E600 is ideal for a wide range of merchants, including fashion and hospitality to add an element of mobility within a store or restaurant environment, food delivery or courier businesses, and street stalls or festival booths.
