DIBIOU Shoe & Legged Cabinet Model Selection Guide

Metal Storage Products OEM Factory

About DIBIOU

Luoyang Dibiou Technology Co., Ltd. handles overseas sales and export service, supported by our affiliated factory, Henan Dibiou Furniture Co., Ltd.

Our factory has years of experience in OEM production for steel storage and metal furniture products. In the past, we mainly supplied domestic trading companies, cross-border e-commerce sellers and industry customers.

Our product scope includes outdoor parcel delivery boxes, shoe cabinets, legged cabinets and lockable steel cabinets.

Cooperation Direction

Now we are building direct cooperation with overseas buyers. With factory production support, flexible customization and careful export service, we hope to provide reliable products and grow together with long-term customers.

OEM / ODM available **Customized metal storage products**

OEM / ODM Manufacturing Capability
