

Census Request Template

(COMPANY CONTACT),

I hope this message finds you well.

As discussed, as part of our effort to create a tailored, data-driven benefits solution for **(COMPANY)**, we kindly request your team's assistance in completing the attached **Employee Census**. This information will enable us to prepare a detailed, customized proposal based on your workforce demographics, ensuring maximum value and measurable impact for both employees and the organization.

We've also attached our **L.I.F.E. NOW Employer Presentation** for your review. It provides an overview of our HIPAA-compliant, preventive healthcare program, highlighting:

- Proven cost savings and payroll tax advantages for employers
- Increased employee take-home pay with no direct out-of-pocket costs
- Access to comprehensive health coaching, telemedicine, and wellness resources

Requested Census Information

Please complete the attached Census, including:

- Employee ID
- Filing State
- Pay Schedule
- Gross Wage
- Filing Status
- Exemptions
- Date of Hire

***The required fields are highlighted in the yellow tabs; feel free to enter "N/A" where not applicable.**

Once received, we will analyze this data to provide **(COMPANY)** with a complimentary, no-obligation proposal showcasing potential savings and engagement opportunities.

If you have any questions or would like assistance completing the census, please don't hesitate to contact me directly or census@lifenowhealthsolutions.com. I'd be happy to schedule a conference call with our Payroll Specialist.

Thank you for your time and support. We look forward to helping **(COMPANY)** take a proactive step toward improving employee health, enhancing benefits, and reducing payroll tax expenses.
