Disclosures

TimesSquare Capital Management, LLC ("TimesSquare") is an investment adviser registered with the U.S. Securities and Exchange Commission and is majority owned by Affiliated Managers Group, Inc. (NYSE: AMG).

The performance information represented herein is intended for use only by institutional and high-net-worth investors and is not for distribution to a wider audience.

Variations in performance can be attributed to a number of factors, including, but not limited to, cash flows, timing of purchases and sales of portfolio securities, and investment restrictions imposed by account holders. There can be no assurance that the future performance of an individual account will be the same as the performance of any other account, including those represented in the historical record we present.

Performance is measured against the Russell Midcap® Growth – a market capitalization-weighted index that measures the performance of those Russell Midcap® companies with higher price-to-book ratios and higher forecasted growth rates. All indexes, including the Russell Midcap® Growth Index, are based on gross-of-fee returns. FTSE Russell is the source and owner of the Russell Index data contained or reflected in this material and all trademarks and copyrights related thereto.

The performance figures shown are calculated in U.S. dollars on a size-weighted basis and reflect the reinvestment of dividends and other earnings, and the deduction of brokerage commissions and other transaction costs. Performance is provided on a gross basis (before the deduction of management fees) as well as net of the highest fee level from the standard fee schedule listed for this strategy during the period presented. Investment advisory fees generally charged by TimesSquare are described in Part 2A of its [Form ADV](#).

The opinions and information expressed and provided are for general information only and are not intended to provide specific advice or recommendations but rather, a basis from which strategies can be built, taking into account the specific objectives of each portfolio, in terms of return, time horizon, and risk constraints, as well as diverging investment perspectives and assumptions. All material has been obtained from sources believed to be reliable, but its accuracy and completeness are not guaranteed.

Specific investments described herein do not represent all investment decisions made by the strategy. Please do not assume that investment decisions identified and/or discussed were or will be profitable. Specific investment advice references provided herein are for illustrative purposes only and are not necessarily representative of investments that will be made in the future.

Past performance does not guarantee future results. There is risk that invested capital may be lost.
