Part III. Personnel, Registration and Licensing
Chapter 57. Associations' Duties and Obligations

§5707. Fire Prevention Security

A. A round-the-clock patrol of the fenced area shall be maintained by security officers, who shall pay special attention to the presence of unauthorized personnel, to the enforcement of fire prevention measures and to the inspection of tack rooms and living quarters for fire hazards.

B. Not later than 15 days before the first day of a race meeting, an association shall deliver to the Commission a copy of the state or local fire marshal's certification regarding the association's compliance with fire safety regulations or the fire marshal's plan of corrections. The certification or plan must be based on an inspection of the association grounds conducted by the fire marshal not more than 30 days before the first day of a race meeting.

Title 35
HORSE RACING
Part III. Personnel, Registration and Licensing
Chapter 57. Associations' Duties and Obligations

§5709. Housing of Stable Employees

A. Each association shall provide adequate and sanitary living quarters with proper sanitary arrangements, and ample and convenient toilet and heating facilities for stable employees, and shall provide in its stable area at least one tack room of a minimum area of 100 square feet for every six horses stabled, with adequate facilities for housing personnel therein. All sleeping rooms must have an exterior window, contain a working smoke detector, and proper heating and air conditioning unit.

§5714. Equine Ambulance

A. An association shall provide an equine ambulance staffed by trained personnel on association grounds on each day that the racetrack is open for racing or training.

B. The ambulance must be properly ventilated and kept at an entrance to the racing strip when not in use.

C. The ambulance must be a covered vehicle that is low to the ground and large enough to accommodate a horse in distress and transport a horse off of the racetrack and association grounds.

D. The ambulance must be equipped with:

1. large, portable screens to shield a horse from public view;

2. ramps to facilitate loading a horse;

3. adequate means of loading a horse that is down;

4. a padded interior;

5. a movable partition to initially provide more room to load a horse and to later restrict a horse's movement;

E. An association may not conduct a race unless an equine ambulance or an official state veterinarian-approved substitute is readily available.

Title 35
HORSE RACING
Part III. Personnel, Registration and Licensing
Chapter 57. Associations' Duties and Obligations

§5723. Lighting

A. The stable area must be properly lighted, so that it will be entirely void of darkness in any section. Lights will be turned on at dusk and they shall remain on until one hour after the last race. Lights shall not be turned on or off while the horses are on the track.

~~B. The parking area must be properly lighted, so that it will be entirely void of darkness in any section. Lights will be turned on at dusk and they shall remain on until one hour after the last race, or until all cars have departed, whichever may first occur.~~

B. An association shall provide lighting for the racetrack and the patron facilities that is adequate to ensure the safety and security of the patrons, licensees and horses.

C. If an association conducts racing at night, the association shall maintain a back-up lighting system that is sufficient to ensure the safety of race participants and patrons.

§5747. Cleanliness and Inspection

A. The premises shall be kept in a clean condition, in good repair, well lighted and ventilated. The quality, quantity and price of all items of food, liquor, beer and other items sold shall be subject to the commission's inspection.

B. Not later than 15 days before the first day of a race meeting, the Commission or a designated representative shall conduct an inspection of the backside facilities of the racetrack, including the barns, surface of the racetrack, any housing facilities inside barns and on backside of racetrack, and bathroom facilities to ensure compliance with Chapter 57.

C. Not later than 15 days before the first day of a race meeting the Commission or a designated representative shall inspect the grandstand and betting areas of the licensed racetrack to ensure compliance with Chapter 57.

D. The Association shall be notified of any finding of non-compliance and have 10 days to bring such violation into compliance. Thereafter, if the finding of non-compliance still exists, it shall be sent to the Commission for review.

Title 35
HORSE RACING
Part III. Personnel, Registration and Licensing
Chapter 57. Associations' Duties and Obligations

§5764. Surface of Race Course

A. The surface of a racetrack, including the cushion, subsurface and base, must be designed, constructed and maintained to provide for the safety of the jockeys and horses.

B. An association shall provide an adequate drainage system for the racetrack and turf course.

C. An association shall maintain the track surface in a safe training and racing condition.

D. An association that conducts races on a turf track shall provide a system capable of adequately watering the entire turf course evenly.
