Timing of Entering Next Claiming Race (LAC 35:X1.9905)

In accordance with the provisions of the Administrative Procedure Act, R.S. 49:950 et seq., and through the authority granted in R.S. 4:148, notice is hereby given that the Racing Commission formally amends LAC 35:X1.9905. The proposed amendment will make the eligibility requirements following a horse being claimed less restrictive for the last 10 days of the 30-day period following a claim. The first 20 days will remain the same as the current Rule. The following 10 days, the horse is eligible to run back for the same claiming price or higher.

Chapter 99. Claiming Rule

§9905. Timing of Entering Next Claiming Race

A. Except as otherwise provided herein, a claimed horse shall not enter in starter, optional or claiming races for 20 days after being claimed in a race in which the determining eligibility price is less than 25 percent more than the price at which the horse was claimed. For a period of 10 days thereafter, a horse is eligible to run back for the same claiming price or higher. The day claimed shall not count, but the following calendar day shall be the first day and the horse shall be entitled to enter whenever necessary so the horse may start on the thirty-first day following the claim for any claiming price. This provision shall not apply to starter handicaps in which the weight to be carried is assigned by the handicapper. A similar rule in other states will be recognized and enforced.

Resale; Movement (LAC 35:X1.9909)

In accordance with the provisions of the Administrative Procedure Act, R.S. 49:950 et seq., and through the authority granted in R.S. 4:148, notice is hereby given that the Racing Commission formally amends LAC 35:X1.9909. The proposed Rule removes the restriction on claimed horses by allowing them to enter and run at any licensed race track after the close of entries for the last racing day at the meet during which it was claimed. The current Rule, prior to amending, prohibited claimed horses from entering and running until the completion of the last racing day at the meet at which it was claimed.

§9909. Resale; Movement

A. If a horse is claimed, it shall not be sold or transferred to anyone wholly or in part, except in a selling or claiming race, for a period of 30 days from date of claim, nor shall it, unless reclaimed, remain in the same stable or under the control of management of its former owner or trainer for a like period, nor shall it race in any other state until after the close of entries of the meeting at which it was claimed, unless special permission is obtained from the commission. However, a horse claimed at a track in Louisiana must remain at the track where it was claimed for a period of 60 calendar days or until after the close of entries of the meeting at which it was claimed. Where a race meeting is authorized and conducted as a split-meeting, a horse claimed in such a race meeting must remain at the track where it was claimed for a period of 60 calendar days or until after the close of entries of that segment of the split meeting at which it was claimed. The following calendar day shall be the first day and the horse shall be entitled to enter at another track in the state whenever necessary so the horse may start on the sixty-first day following the claim.

To keep the fee schedule consistent, jockeys who place third in the two purse categories of \$5,000 to \$9,999 and \$10,000 to \$14,999 now receive an additional \$5.
