REPORT ON REVIEW OF INTERIM FINANCIAL INFORMATION

BY THE INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

TO THE BOARD OF DIRECTORS

THAICOM PUBLIC COMPANY LIMITED

We have reviewed the consolidated statement of financial position of Thaicom Public Company Limited and its subsidiaries and the separate statement of financial position of Thaicom Public Company Limited as at June 30, 2021, and the related consolidated and separate statements of profit or loss, profit or loss and other comprehensive income for the three-month and six-month periods ended June 30, 2021 and the related consolidated and separate statements of changes in shareholders' equity and cash flows for the six-month period ended June 30, 2021, and the condensed notes to the financial statements. The Company's management is responsible for the preparation and presentation of this interim financial information in accordance with Thai Accounting Standard No. 34 "Interim Financial Reporting". Our responsibility is to express a conclusion on this interim financial information based on our review.

Scope of Review

We conducted our review in accordance with Thai Standard on Review Engagements 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity." A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Thai Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the aforementioned interim financial information is not prepared, in all material respects, in accordance with Thai Accounting Standard No. 34 "Interim Financial Reporting".

Coronavirus Disease 2019 Pandemic

This situation may bring uncertainties and have an impact on the environment in which the group operates. Nevertheless, the Group's management will continue to monitor the ongoing development and regularly assess the financial impact in respect of valuation of assets, provisions and contingent liabilities.

2. Basis of preparation of the interim financial statements

2.1 Statement of compliance

The interim financial statements are prepared on a condensed basis in accordance with Thai Accounting Standard (TAS) No. 34 "Interim Financial Reporting"; guidelines promulgated by the Federation of Accounting Professions (FAP); and applicable rules and regulations of the Thai Securities and Exchange Commission.

The interim financial statements are prepared to provide an update on the financial statements for the year ended 31 December 2020. They do not include all of the financial information required for full annual financial statements but focus on new activities, events and circumstances to avoid repetition of information previously reported. Accordingly, these interim financial statements should be read in conjunction with the financial statements of the Company and its subsidiaries for the year ended 31 December 2020.

The consolidated and separate statements of financial position as at 31 December 2020, presented herein for comparison, have been derived from the consolidated and separate financial statements for the year then ended which have been audited.

The accounting policies and methods of computation applied in these interim financial statements are consistent with those applied in the financial statements for the year ended 31 December 2020 except that the Group has adopted all the new and revised TFRS that are effective for annual period beginning on or after 1 January 2021.

During the period, the Group has adopted the revised financial reporting standards and the Conceptual Framework for Financial Reporting issued by the Federation of Accounting Professions which are effective for fiscal years beginning on or after 1 January 2021. These financial reporting standards were aimed at alignment with the corresponding International Financial Reporting Standards, with most of the changes directed towards revisions to references to the Conceptual Framework in TFRSs, the amendment for definition of business, the amendment for definition of materiality and accounting requirements for interest rate reform.

The adoption of these financial reporting standards does not have any significant impact on the Group's interim financial statements.

Thai Financial Reporting Standards announced in the Royal Gazette but not yet effective

The revised Thai Financial Reporting Standards No. 16 "Leases" ("TFRS 16") added the requirements for the temporary exception arising from interest rate benchmark reform, which an entity shall apply these amendments for annual reporting periods beginning on or after 1 January 2022 with earlier application permitted. This revised TFRS 16 has been announced in the Royal Gazette on 27 January 2021.

The Group's management will adopt such TFRSs in the preparation of the Group's financial statements when it becomes effective. The Group's management is in the process to assess the impact of these TFRSs on the financial statements of the Group in the period of initial application.

2.2 Functional and presentation currency

The interim financial statements are prepared and presented in Thai Baht, which is the Group's functional currency. All financial information presented in Thai Baht has been rounded to the nearest thousand in the notes to financial statements unless otherwise stated.

2.3 Judgements and estimates

The preparation of interim financial statements in conformity with TFRS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

In preparing these interim financial statements, the significant judgements made by management in applying the Group's accounting policies and the key sources of estimation uncertainty were the same as those that applied to the financial statements for the year ended 31 December 2020.

15. Contingent liabilities

Assessment for income tax in India

The Tax Authority in India ('the Tax Authority'), has held that the payments received by the Company for providing Transponder Services ('TPS') to its Indian Customers and non-resident customers targeting Indian audience ('the Customer') was Royalty under both the Indian Income Tax Act ('the Act'), and the Double Taxation Avoidance Agreement between Thailand and India ('the DTAA') and subject to withholding tax at the rate of 15% on gross basis. The Company considered income from Transponder Services to be business income, and as the Company does not have permanent establishment in India, such income is not taxable in India.

The Tax Authority still insisted on its consideration and raised the tax demand including surcharge, education tax and interest aggregating to INR 859.4 million (approximately Baht 370.0 million) against the said payment received by it from the customers and also levied penalty of INR 566.1 million (approximately Baht 243.7 million) for the Assessment Year ('AY') 1998-1999 to 2012-2013 (1 April 1997 to 30 March 2012).

So far, the Company had received Withholding Tax Certificates ('WTC') from its customers until Assessment Year ('AY') 2012-2013 net amounting to INR 593.8 million (approximately Baht 255.6 million), in which part of the amount is substituted and paid by the customer on behalf of the Company and used it as deposit for tax, surcharge, education tax and interest including penalty and its relevant interest. The Company had also deposited INR 480.4 million (approximately Baht 206.8 million). The deposit is presented as other non-current assets in the statements of financial position.

On 4 March 2011, Income Tax Appellate Tribunal (ITAT) gave its decision that the Company's income from transponder services in India was not a royalty and, as the Company has no permanent establishment in India, such income was not taxable in India.

As the consequence, the Company does not have to pay interest and penalty imposed by the Revenue Department of India, and ITAT also decided that the demand for penalty for the assessment year 1998-1999, 1999-2000, 2000-2001, 2001-2002 and 2002-2003 made by the Revenue Department of India against the Company be cancelled. The Revenue Department of India did not appeal against the ITAT's decision on penalty for the said assessment years to the High Court of Delhi and the ITAT's decision on penalty was final. On 30 December 2011, the Tax authority notified the partial return of deposit placed by the Company against the penalty for the Assessment Year ('AY') 1998-1999 to 2001-2002 and interest, aggregating to INR 162.4 million (approximately Baht 69.9 million).

Further to ITAT decision as stated in the preceding paragraphs, the Company is in the process of requesting the refund of the remaining deposit and withholding tax from the Tax Authority. Upon the final decision of the Supreme Court and the receipt of refund, the Company will forward the Customer the amount they substituted on behalf of the Company.

On 28 September 2011, the Tax Authority has filed an appeal against the decision of High Court on 17 February 2011 which decided that the Company's income from transponder services in India was not a royalty, to the Supreme Court. At the moment, this issue is still under the consideration of the Supreme Court.

The Supreme Court of India issued a letter dated 9 November 2011, to inform the agent of the Company's tax consultant of the appeal. Currently, the matter is in process, awaiting the Supreme Court of India's consideration.

16. Other events

16.1 According to the judgment of the Supreme Court, Criminal Division for Persons Holding Political Positions rendered on 26 February 2010, concerns the Company and its affiliated companies in many aspects. The Company is of the opinion that the consequence of the judgment is limited to the holding that some property of the person holding political position was improperly acquired by an abuse of power while being in a political position. The judgment does not contain any order indicating that the Company or its affiliated companies shall take any actions as the Company is not involved to the case. The Company and its affiliated companies have been operating to the best of its ability in accordance with the law and the agreements and in good faith. The Company and its affiliated companies have every right available under the law and agreements to provide the facts to prove its innocence and good faith in any proceeding which may be initiated by the relevant government agencies in accordance with the law and justice.

16.2 On 19 April 2007, Mr. Supong Limthanakul brought legal actions against the National Broadcasting and Telecommunications Commission ("NBTC"), the office of the NBTC (previously named the National Telecommunications Commission) and the Ministry of Digital Economy and Society ("MDE") (previously named the Ministry of Information and Communication Technology ("MICT")) in the Central Administrative Court ("CAC") on the ground that the three state agencies neglected to perform their duties in overseeing whether the Company has been carrying on its telecommunications business lawfully after the sale of Shin Corporation Public Company Limited's shares to the new shareholder.

CAC issued an order dated 8 April 2009 making the Company the fourth respondent in order to allow the Company to file the Reply to the petitioner's claim including evidence, documentary or otherwise to CAC and the Company filed the Reply and supporting evidence in July 2009. On 10 September 2011, CAC has dismissed the verdict.

On 8 July 2011, Mr. Supong Limthanakul has filed an appeal with the Supreme Administrative Court ("SAC"). The case is under consideration by SAC. On 23 September 2011, the Company has filed an argument against appeal with the Supreme Administrative Court ("SAC").

On 28 December 2018, the Supreme Administrative Court issued an order that the ending date of the fact inquiry shall be held on 12 February 2019 which both plaintiff and defendant are required to submit the additional documents (if any) to the Court within the said period. After that, the Court shall further determine the first hearing date.

At present, the case is being considered by the Supreme Administrative Court.

The Company is of the opinion that it will not be adversely affected in any way as the actions were brought against NBTC, office of the NBTC and MDE for neglecting to perform their duties and will not constitute a cause for terminating the operating agreement as the Company has fully complied with the terms and conditions of the operating agreement.

16.3 The Company and its partner have a different interpretation of certain clauses of the cooperation agreement. As a result, the Company and such company have submitted the case to the arbitrator to consider and find a solution for such different view. All witnesses from both parties have been already cross-examined. During the year 2018, the arbitrator has already considered that the interpretation of certain clauses of the company is correct, and this decision is final.

Nonetheless, the said partner still has a different interpretation towards the Company's with execution considering breach of the cooperation agreement. The Company, therefore, had to submit the case to the arbitrator to re-consider. In January 2021, the witness hearing has been conducted according to the plan. At present, it is awaiting for the award granting on this case.

16.4 Dispute over THAICOM 7 and THAICOM 8 satellites under Operating Agreement on Domestic Communication Satellite

On 5 October 2017, the Company received a letter from the Ministry of Digital Economy and Society (the "Ministry") stating that Thaicom 7 and Thaicom 8 satellites were the satellites under the Operating Agreement on Domestic Communication Satellite dated 11 September 1991 between Intouch Holdings Public Company Limited ("INTOUCH") and the Ministry (formerly known as the Ministry of Information and Communication Technology (MICT)) (the "Agreement"), which INTOUCH established the Company to operate works under the Agreement. In this regard, the letter from the Ministry stated a request for the full compliance with the Agreement on an urgent basis; e.g. transfer of ownership and delivery of assets, procurement of the backup satellite(s), payment of overdue revenue sharing, and property insurance.

The Extra-Ordinary Board of Directors' Meetings of the Company on 24 October 2017, considered such letter and consulted with legal advisor and then opined that Thaicom 7 and Thaicom 8 satellites were not the satellites under the Agreement as the procedures of Thaicom 7 and Thaicom 8 satellites fell under the scope of license received from the National Broadcasting and Telecommunications Commission. Moreover, the Company has fully complied with the terms and conditions of the Agreement and has not proceeded with any operations against or violating the Agreement. Therefore, the Company had a different opinion from the Ministry on Thaicom 7 and Thaicom 8 satellites. Accordingly, the Meetings resolved that the Company submit to an arbitrator the dispute, resulting from the terms of and compliance with the Agreement and that the parties thereto have not been able to resolve it, for further settlement. This is in accordance with Clause 45.1 of the Agreement and the Company has submitted the dispute to the Arbitration Institute on 25 October 2017, as appeared in the Black Case No. 97/2560.

The case is in the arbitration process. The Company does not have any duties to comply with any of the foregoing requests until the case is final. Currently, the case is under witness hearing conduction process.

However, in August 2019, the Ministry filed a petition to the CAC on the arbitration jurisdiction over the Black Case No. 97/2560, and requesting the CAC's order to suspend the arbitration process. On 24 October 2019, the CAC had an order refusing to suspend the arbitration process. The Ministry and the Company have already submitted the required documents to the CAC, however, the CAC has not issued any order or determine the appointment date.

16.5 Dispute of Thaicom 5 Satellite

On 6 November 2020, the Company received the Notice of Arbitration including details of proposed dispute Thaicom 5 satellite ("TC5") from the Ministry of Digital Economy and Society ("MDES") requested the Company (1) to build and deliver the replacement satellite of TC5 or pay the money equivalent to the value of satellite at the amount of Baht 7.79 billion together with interest at the rate of 7.5% per annum for the period from 30 October 2020 until the payment completion date; (2) to pay the fine of Baht 4.98 million (calculated from 25 February 2020 to 30 October 2020) together with interest at the rate of 7.5% per annum; and (3) to pay the fine from 1 November 2020 until the replacement is delivered or the compensation is paid.

Currently, the said dispute is under arbitration process. The Company considered such dispute and is of the opinion that the Company has been complying with the Agreement for Operation of Domestic Communication Satellite; therefore, the Company does not have any duties to comply with MDES's requests. The management of the Company believes the case outcome would not have material impact to the Company's financial statements.

16.6 The Company has outstanding balance from two receivables in the amount of USD 19.8 million which the Company has recorded allowance for credit loss in full amount. The Company filed a claim against these receivables for the default of payment. Currently, the cases are under the arbitration process in Singapore which both receivables have counterclaimed to the Company in this arbitration process and the management of the Company believes there would not be a material impact to the Company's financial statements.

16.7 On 5 June 2021, the Company received a letter dated 2 June 2021 from the Office of the National Broadcasting and Telecommunications Commission ("NBTC") informing its resolution regarding the Company's rights to use the orbital slot that shall be from 19 February 2020 and end on 10 September 2021. However, if there would be an arbitration award or a court's order which would change the fact, NBTC will reconsider the Company's rights to use the orbital slot.

The Company is of the opinion that such resolution does not have a clarity on the management for telecommunication service continuity, which will affect service users and the Company's operation. However, the Company are preparing to file a plaint to the Administrative Court, to seek for a suspension of enforcement of the NBTC's resolution as well as to request for an injunctive relief.
