MEDITERRANEAN STYLE PAVING

Polygon Beauty™ is a Mediterranean style, rustic, innovative, high quality paving system with irregular contours imparting a look of natural broken stone. Recognizing a particular pattern is not easy and each pavers looks unique. The pavers can be laid at random with ease. The wide joints and the dummy ones can be filled with chips of a colour of user's choice. Can be used in landscaped areas across gardens, patios and light-use areas.

Thickness: 80mm
