

Beautiful Pavers for perfect outdoors

Eleganz[™]

Toscana[™]

Toscana™

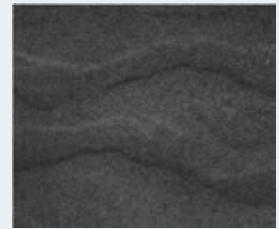

It is a trendy and beautiful paver, which finds its origin in Tuscany region in Italy.

These pavers provides a classy look and can be custom placed to suit the landscape. It is best suited for outdoor paving and is textured with ridges that makes Toscana the ultimate solution for traditional uses and for sophisticated modern design projects and refurbishments. This can be provided with different earthen-colour-blends, contemporary-colour-blends or with shot-blasted effect.

Dimension:

150/200/250/300x200mmX70mm (T)

- A - 6 Pieces
- B - 7 "
- C - 7 "
- D - 7 "

Note: These four sizes are to be laid at random to have the naturality and to ensure usage of all the sizes available at site.

Since quantities in different sizes are not supplied in equal numbers, due to the production process, it is inevitable to lay them at random.

The pictures in this brochure show up these sizes laid at random.

Eleganz™

As the very name of this product suggests, these pavers are quite elegant in appearance. These rectangle shaped pavers depict simplicity with beauty. These pavers can be shuffled to make an irregular pattern as well. Looks best in Red-Black, Beige-Black Blends.
