

DEKKO

CONCRETE

COMMERCIAL COLLECTION

A curated collection of hospitality,
retail, office and public spaces.

WHERE MATERIAL MEETS EXPERIENCE

Commercial environments should do more than perform they should create lasting impressions. From hospitality and retail to workplaces and public spaces, Dekko Concrete brings texture, permanence and architectural depth to the places people gather.

CANADA GOOSE

Retail | Edmonton

Concrete frames the storefront before continuing seamlessly throughout the interior, creating a cohesive architectural experience that reflects Canada Goose's clean, contemporary aesthetic.

CYCLONE
SPIN STUDIO

STANDARD 4'X4' CLADDING

COLOR: CHARCOAL

 CUSTOM CLADDING

 COLOR: ASH

A modern interior space featuring large, light-colored concrete wall panels and a dark ceiling with recessed linear lighting. In the foreground, there are two low-profile wooden sofas with black leather cushions. Between them are two square ottomans, one light-colored and one dark. In the background, a dark wooden cabinet and a tall mirror are visible against the concrete wall. To the left, a clothing rack with various items is partially seen.
