Orwell Park School

Schedule of Fees

Academic Year 2026/2027, prices are inclusive of VAT where applicable.

A key benefit for Orwell Park families is that our fees are comprehensive, covering far more than tuition.

They include daily meals, a broad range of activities, and a rich programme that supports every child's development. From Year 3 onwards, wraparound care is also included within fees, providing added flexibility for busy families at no extra cost via the ASPIRE programme until 7.45pm. Wraparound care for younger years is available at an additional charge.

Military, Diplomatic & NHS Families

CEA parents are expected to fund a minimum level of 10% of the school's fees. The combination of the CEA funding and the Orwell Park fee remission for military families leaves only a relatively small sum left to be funded by the parents directly.

Orwell Park welcomes the children of those working for the NHS and we are happy to consider a bursary application from such families.

Scholarships & Bursaries

We have a limited number of Bursary Awards available to candidates of high academic or all-round ability for families who could not otherwise afford school fees. These awards are means-tested and reviewed on an annual basis.

We offer a range of Year 7 scholarship opportunities designed to recognise exceptional talent.

For more information please contact our Admissions team on admissions@orwellpark.org or telephone 01473 659225.
