

**PRO DRIVE 50hp SHALLOW-WATER OUTBOARD
LIMITED WARRANTY**

Pro Drive Outboard, LLC ("Pro Drive") is the premiere manufacturer of shallow-water outboards. Thank you for your purchase! Pro Drive provides to you, at no extra cost, this Limited Warranty on your new Pro Drive 50hp four-stroke shallow-water outboard ("Pro Drive Outboard") as part of Pro Drive's commitment to quality and reliability. Please take a few minutes to familiarize yourself with the terms of this warranty, as these terms will apply in the unlikely event that your Pro Drive Outboard requires covered repair during the applicable warranty period specified below.

THIS LIMITED WARRANTY IS VALID ONLY IF THE OWNER REGISTRATION INFORMATION FORM ON THE LAST PAGE OF THIS DOCUMENT IS COMPLETED, SIGNED AND MAILED TO PRO DRIVE WITHIN THIRTY (30) DAYS FROM THE DATE OF ORIGINAL PURCHASE OF THE PRO DRIVE OUTBOARD. You should maintain a copy of the form for your records. PLEASE NOTE THAT, EXCEPT FOR PROPELLERS SEPARATELY COVERED BELOW, **THIS WARRANTY DOES NOT APPLY TO COMPONENTS ATTACHED TO YOUR PRO DRIVE OUTBOARD EVEN IF THOSE COMPONENTS ARE ATTACHED AT THE TIME OF PURCHASE.** Warranty coverage for components may or may not be provided by the component manufacturer.

PRO DRIVE OUTBOARD LIMITED WARRANTY: Pro Drive warrants to the original purchaser ("Purchaser") of a NEW, 50hp four-stroke Pro Drive Outboard, that the Pro Drive Outboard is free from defects in workmanship and materials during a period that is either twelve (12) months for typical, noncommercial service or six (6) months for commercial or rental service (as applicable, the "Warranty Period"), in each case following the date of purchase from Pro Drive or an authorized Pro Drive dealer (the "Pro Drive Outboard Limited Warranty"). During the Warranty Period, as Pro Drive's sole obligation and liability, and Purchaser's sole remedy, Pro-Drive or one of its authorized dealers will repair or replace, at Pro Drive's option, any Pro Drive Outboard that is found to be defective in workmanship or materials, at no cost to Purchaser for labor or materials. Neither Pro Drive nor any of its authorized dealers shall be responsible for Ancillary Costs (defined below), and under no circumstances shall Pro Drive or any dealer be liable for special, incidental, indirect or consequential damages. All repairs shall only be performed either by an authorized Pro Drive dealer at its facility or by Pro Drive at its facility located at 2702 Lake Dauterive Road, Loreauville, Louisiana 70552 (each an "Authorized Warranty Repair Site"). Pro Drive will designate the site of the repairs. All transportation and shipping costs to and from an Authorized Warranty Repair Site shall be the responsibility of Purchaser. This Pro Drive Outboard Limited Warranty does not provide or cover repairs performed at a site other than an Authorized Warranty Repair Site. REPAIRS OR MODIFICATIONS OF ANY PRO DRIVE OUTBOARD BY ANY PERSON OR ENTITY OTHER THAN PRO DRIVE OR ONE OF ITS AUTHORIZED DEALERS WILL VOID THIS PRO DRIVE OUTBOARD LIMITED WARRANTY. Pro Drive reserves the right to make any changes or upgrades to a Pro Drive Outboard, at any time, without incurring any obligation in connection with any Pro Drive Outboard previously ordered, sold, or shipped.
