COMMODORE'S CORNER

MICHELLE RABALAIS

Dear members of TYC:

I am both delighted and deeply grateful to reconnect with you all as I resume my duties as Commodore following my recent medical leave. Your kind messages, unwavering support and understanding have meant the world to me during my recovery, and it is with renewed energy and appreciation that I am stepping back into this role.

I would like to extend my heartfelt thanks to Nick Colletti, the Board of Directors and all club volunteers who ensured smooth operations and activities in my absence. Your commitment to our club's traditions and vibrant spirit is inspiring and I am proud to be part of such a dedicated group of individuals.

As we continue our journey together, let us remember that our strength and success lies in our sense of community, love of sailing and the friendships we make along the way.

With warmest regards and fair winds,

Michelle Rabalais

Commodore

VICE COMMODORE'S CORNER

NICK COLLETTI

Dear TYC members:

October was another great month and seemed to have flown by! We had an outstanding turnout at the General Membership Meeting, which included the election of our 2026 Board of Directors and the approval of updated Bylaws to ensure stronger oversight from the TYC Board.

The LPRC event was a tremendous success, once again proving that TYC continues to raise the bar when it comes to hospitality. An enormous THANK YOU to all the volunteers that helped make the 40th edition of the LPRC special.

The past few weeks have been a true testament to the dedication, passion and hospitality that define our yacht club. I am proud to reflect on the highlights and achievements that have made this month one for the record books.

Looking ahead to November, we've got some fun events planned—including bingo, karaoke, and of course, our "Tasty Thirsty Thursday" Thanksgiving feast. I encourage all members to stay involved and participate as much as possible in the vibrant life of TYC.

Let's carry this momentum forward and continue making waves together!

Fair winds and following seas,

Nicholas Colletti

Vice Commodore

HOUSE MANAGER

PATTY HEINDEL SMITH

This October, TYC has enjoyed one of its most successful months, thanks to the outstanding dedication of our members, our volunteers, our bartenders and our leadership. With a commitment to service, hospitality, and operational efficiency, we are striving to set a new standard for excellence within our club.

I am happy to announce that our new lounge area was completed and welcoming for the LPRC weekend. If you have not had a chance to check it out, please do so. It's a great space that can and will serve many purposes. Please take advantage of our new space and all the other amenities our great club has to offer.

Although the lounge may seem complete, we do need a couple of 'finishing touches' to complete the look. Wendy Quillin is on the hunt for a couple of old-ish buffet/skinny lamps and maybe an oversized antique-ish mirror. But the lounge is up and running and inviting and ready for your pleasure and comfort.

We also need some new flooring in the lounge bathroom. We will gladly accept donations on product and/or labor to complete that task if we have any takers...

Plans are already underway for upcoming holiday events, promising even more memorable experiences with a commitment to providing an outstanding environment for all of our members and guests.

Sincerely,

Patty Heindel Smith

House Manager

LOOKING BACK

The storied **Single Handed Round the Lake Regatta** was Saturday October 4th. We had “sporty” conditions which made for a relatively quick race starting between the bridges and on to the “east” course. Our very own Rick Gunderson on *Zoya II* had “home field advantage” and took 1st place! He was followed by veteran single hander Ryan Finn in *Fete du Jeter* (Barf Party) and Sandy Stone captained *Nightshift* into 3rd place. Full results here:

https://nextsailor.com/app/scoring/review_results/1023/2261

TYC began this solo sailing race back in 1981 and we are proud to keep the tradition going. RC was ably supported by Terry Smith and Wayne Jablonski. Everybody slept well that night.

Fete du Jeter (Ryan Finn)

Nightshift (Sandy Stone)

Zoya II (Rick Gunderson)

Windsome (Tom Smith)

Tranquility (Steve Earle)

Fall WedNite Series wrapped up after we added one make-up race on October 15th since we cancelled two races for weather. The winners were: 3rd place – *Windsome*; 2nd place – *Zoya II* and 1st place – *White Lightnin*. Full results here: https://nextsailor.com/app/scoring/view_regatta/1007

RC crew included “the Waynes” – Sewing and Jablonowski, Tony Bird, Leslie George and Natalie Salinas. Many thanks to all of our burger grillers each Wednesday and Marilyn Thibodeaux, et al, who put it all together.

LPRC

We just wrapped up the 40th Anniversary LPRC on the weekend of Oct 24-26th.

THANK YOU TO ALL OF OUR SPONSORS

At the Thursday Skippers' meeting at NOYC, we did celebrate all the past Red (best Spinnaker boat) or Blue (best Non-Spinn boat) Jacket winners. Each one in attendance shared some words of their LPRC memories. TYC skippers were in that number, including Past Commodore Desiree Young, Dr. Vic Echinique and past members Kyle Bowser, Bill Cunningham and Mark Palermo.

BTW, Bill Cunningham (blue shirt) was the OG owner of *White Lightnin*. She is still kicking butt after all these years!

TYC was the anchor club this year and yours truly was the Regatta Chairman. Commodore Michelle Rabalais welcomed the fleet on Saturday evening and opened the trophy presentations.

TYC received many praises for our usual great food and welcoming hospitality. There were many people who pitched in to prep the club, docks, food and to serve on the water as race committee. Too many names to mention for fear of missing someone – you know who you are! But I do think Pappadore Vince Rabalais may have set a record for the longest series of gumbo cooking! We can all be proud of the effort everyone put in – “*we done good chere*”! So after the awards, do we go quietly into the night? Hell no! TYC segued right into a Halloween Party with awesome pirates and wenches!

In terms of racing, we had two days of great breezes for Friday racing out of NOYC and for the Saturday distance race from SYC to TYC.

“Den came dat rain chere” 😞 The Sunday morning TYC Breakfast Club was in full force despite the rain, but in need of hungry sailors. The NWS sent out a Tornado Warning from 06:30 until noon and racing was cancelled for the day. Everyone straggled in and had their fill and we wrapped up around noon with overall LPRC awards. In the end, TYC placed two boats in the silver place on the podium – in Non-spinnaker, *Nightshift* took 2nd place as did *White Lightnin* in the Racer-Cruiser division. Full results here:

https://nextsailor.com/app/scoring/view_regatta/983

And once again, TYC proclaimed, *“it ain’t over till its over ... Party on”* and moved right in to ‘tailgate mode’ for the Saints’ game...

A couple regatta 'stories'

Story goes that Saturday afternoon, an LPRC sailor sees this dog struggling in the water near the dock—around all the sailboats—and was able to get her out and up onto a boat!

Later, he makes a run to some vet and she has a chip. Owners were found and she was reunited. **Lucky dog!**

Sunday I'm on my way to pick up my boat—kinda early—to join the family for a birthday party in progress—just turning the outer marker to the Lakeshore Estates west channel. I get a call from one of the LPRC boats/Committee member. They had ran out of wind, the engine won't crank and he couldn't get the anchor deployed in time. The outgoing current had them up against the train bridge. I get there and get them under tow and headed south. Then just past the south shore point, the breeze filled in and they were able to sail home. All's well that ends well...

LOOKING AHEAD—TYC Pontchartrain Foundation

Fall and winter are a great time to do some repairs and maintenance and plan for 2026. The TYCPF has us poised to grow and attract more kids and families. The future looks bright, so be on the lookout for how you can join the effort and help.

Fair winds and following seas!

PIRATES OF THE PONTCHARTRAIN

Lake Pontchartrain was invaded by pirates on Saturday, October 25th. If you missed it, it was *spooktacular*!

Thank you to all of our amazing volunteers that made this 40th anniversary of LPRC such a great event! From planning to decorating and managing activities, your energy and effort brought the LPRC weekend to life. We are grateful for your dedication and team spirit and the great hospitality shown to our sister clubs. We showed up and showed out!

A special thank you to Nick and Adrienne who provided

lots of their personal stash of pirate décor and skeletons...even stealing the poor pup's sleeping quarters (THE PI-RATE SHIP).

And thank you to Marilyn Thibodeaux for letting us borrow her "captain" for the weekend! He may never be the same....

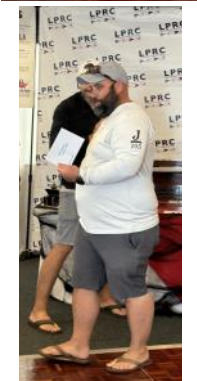

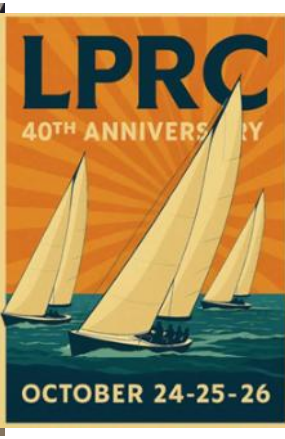

Penelope DeRoche and Mary Watermann having a little fun with the captain...

PIRATES OF THE PONTCHARTRAIN OCTOBER 25TH

I spy a little something about...

A New Year's Eve Soirée

I spy a little something about... A Roaring 20's/Great Gatsby New Year's Eve Soirée. We are throwing it back to the 20's with glitz and glam and lots of sparkle and fabulousness! It was also the Jazz Age - all about luxury, excess, and nonstop fun - exactly what we want for an unforgettable NYE.

For the dames: flapper dress attire is best - think drop-waist dresses with sequins and fringe a-plenty, paired with glitzy headpieces, a jeweled brooch, fishnet stockings, long strings of pearls, and a feather boa or shawl. Finger waved hair is also a nice touch, as are red lipstick and elbow-length gloves.

For the fellas: a well-tailored tux with a tailcoat or caramel-colored suit (like the one F. Scott Fitzgerald describes Gatsby wearing in the novel) are the ultimate options - but any pinstripe suit or pants with suspenders will do. Fedoras, top hats, and newsboy caps are also good, or if a guy's going hatless, make sure his hair's slicked back off his face. Extra points for a pocket watch.

20's Inspired Savory Bites: The 1920s were known for decadent, glamorous parties. We will keep it light and sophisticated with elegant finger foods that are easy to eat while mingling and dancing - perfect for late-night snacking. A lavish dessert spread with specialty treats and a glittering NYE cake.

Cocktails: We will offer up some specialty drinks (i.e. French 75, Gin Rickey, Sidecar, Bees Knees or Mint Julep), and the champagne toast at midnight is a must and included in the cost of admission.

The Mood will be topped off with Swinging Jazz and Charleston Beats: Nothing says the Roaring 20's like the upbeat tunes of the Jazz Age. We have hired the karaoke team of Derrick and Vicki to entertain us for the night.

Event Details: New Year's Eve, December 31, 2025 (Wednesday), beginning at 8:00pm. Requested dress is 20's flapper / Great Gatsby style. Prizes for the best dressed will be awarded...so dress to impress! Advanced tickets will be \$20/per person (\$25/pp at the door). Event tickets are now on sale. You can sign up and buy your tickets at the bar.

EDITOR'S COMMENTS

WENDY QUILLIN

Ahoy all and welcome to the November issue of SpyGlass.

I am thrilled to announce the completion of our brand new lounge area at the yacht club! This much-anticipated remodel marks a significant milestone for our club, providing a welcoming and luxurious space for relaxation, socializing and camaraderie.

Designed with both comfort and style in mind, the new lounge features comfortable and versatile seating options to suit every occasion. Whether you're looking for a quiet corner to read, a spot to gather with friends or a place to have a business meeting, our lounge is the perfect setting.

The completion of the lounge would not have been possible without the support and enthusiasm of our members, donors and volunteers. Their dedication to the club continues to inspire me and I am honored to create new memories together in this beautiful space.

A very special thank you to Patty, Adrienne, and Zach for all the hard work (it was truly a labor of love for us all) and to all of the following who helped make this a reality:

The TYC Board of Directors for their donation of \$400;

The First Mates club for their donation of \$200;

Larry and Carol Whited for their donation and installation of the new fan and lights;

Tom and Patty Smith for their donation to cover the cost of the new insulated curtains and the curtain rods;

Charles and Beth Applewhite for their donation to cover the cost of the lighted display case and the art work;

Harold Pecunia for his donation of the four dining chairs and the console table;

Nick Colletti, Vincent Rabalais, Jack Quillin and Tom Smith for their assistance in getting the furniture into the lounge; and

Vincent Rabalais, his son Tucker, and Jack Quillin for hanging the curtains.

I encourage you all to visit the lounge soon and make it your own. Whether you're winding down after a day on the water or meeting up for an evening gathering or hosting a book club meeting, the lounge is open and ready to welcome you.

For clarification purposes, the complete remodel was about \$800, with only \$400 coming from TYC funds. The rest was from the generous donations of our members!!!

Sincerely,

Wendy Quillin
