# COMMODORE'S CORNER

NICK COLLETTI

Dear TYC Members:

As we set sail into the new year, I am honored to address you as your Commodore and reflect on the exciting journey our yacht club has embarked upon. The past year has been filled with memorable moments on the water, spirited competitions, and a renewed sense of camaraderie among our members. I want to express my deepest gratitude for your enthusiasm, participation, and support — these are the winds that drive our club forward.

This year promises to be another exciting chapter. Our calendar is packed with regattas, social events and activities, even some educational workshops. We aim to (1) expand our junior sailing program to nurture future generations of yacht enthusiasts; (2) continue improving our facilities, ensuring every member's experience is first-class; and (3) perhaps bringing some old Tammam Yacht Club traditions back.

I encourage every member to participate, whether by volunteering, socializing, racing, or simply sharing your love of sailing with others. Your ideas and energy shape the club's future. Please reach out to me or the board with suggestions or feedback — we're here to serve you.

In the spirit of adventure and friendship, let's make 2026 a year to remember. I look forward to seeing you at the club and on the water. Together, we will keep our club vibrant and our sails full.

Fair winds and following seas,

*Nicholas Colletti*

Commodore

# VICE COMMODORE'S CORNER

SANDY STONE

Hello all and thank you for allowing me to serve as your Vice Commodore.

We have an exciting year ahead of us, continuing to build on the club's resurgence after a daunting start last year. I am fortunate to be joining the leadership team during a period when our club is flourishing, our members are enthusiastic, and there's clear energy and excitement all around.

Thanks to some hard work behind the scenes, we have a lot of great events planned for the immediate future, with more on the way. So many contribute to the club's success, it is impossible to thank everyone here. I will just say that I am delighted to be serving under Nick's leadership, and I can only hope I will be able to contribute as much as my fellow board members.

I am excited to be a part of the team leading the way to our continued growth and I am optimistic about TYC's future.

Wishing you fair winds and smooth sailing,

*Sandy Stone*

Vice Commodore

## *Did you know???*

As a member of TYC one of your benefits includes membership in the Gulf Yachting Association (GYA). The GYA was formed in 1901 as a non-profit organization consisting of thirty-four (34) members and five (5) affiliate yacht clubs from Houston, Texas to Sarasota, Florida along the Gulf of America.

Organized specifically to further the sport of yacht racing, marine safety and seamanship, the GYA is the oldest organization of yacht clubs in the United States. Originally formed as the Southern Gulf Coast Yachting Association in New Orleans in 1901 by the leadership of Southern, Mobile, Pascagoula, Biloxi, Bay Waveland, Bay St. Louis and Pass Christian Yacht Clubs. The founding organizations reorganized as the Gulf Yachting Association in 1918 and included Bay Waveland, Biloxi, Mobile, Pass Christian and the Southern Yacht Clubs. The GYA continued to grow in the succeeding years.

Visit [www.GYA.org](http://www.GYA.org) for a list of member clubs and their contact information. If you are planning a trip, I suggest calling ahead to confirm reciprocation and have your TYC membership card available. Please see Donna or Zach for your 2026 GYA membership sticker to place on the back side of your TYC membership card to validate your current membership status with the GYA.

TYC members drive the Club's growth, a gracious thank you to all, and...as always... "bring a friend, bring a neighbor, bring a business associate," sell "who we are" and we will continue to grow!

Mark Phillips  
Rear Commodore & Membership Chairman

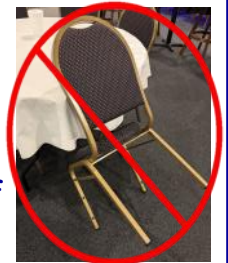

# HOUSE COMMITTEE UPDATE

NICK COLLETTI, INTERIM HOUSE MANAGER

Patty Smith has retired from her job as a court stenographer and is beginning a new chapter in her life, which includes lots of traveling. As such, she has stepped down as House Manager. A big thank you to Patty for the enormous effort put forth serving as our House Manager. It is not an easy position to fill, but we are actively seeking a highly qualified House Manager to take over house duties. Please reach out to Nick if you are interested in the position. In the meantime, we have assembled a House Committee consisting of Marilyn Thibodeaux, Carol Whited and Shawn O'Connor to assist. Nick is serving as Committee chair/House Manager in the interim. Volunteers welcomed!!!

Please do **NOT** lean the chairs forward against the tables (to 'save' your seat), as this causes a tripping hazard in our clubhouse.

The Board of Directors is in the process of obtaining a selection of "house wines" for our members. At our Board of Directors meeting on January 13th, we had the privilege of tasting 13 different varieties of wine. Thank you to our member Tina Redondo and Representative Hugo Miller for hosting this event for our club to help expand our wine selection for our members.

The BOD has selected several wines to present at the First Mates' February 27th wine tasting event. The event will be open to ALL members and we highly suggest that any of our wine drinking members participate, as we will be selecting several of the wines to add to our current wine selections and would like your input.

The cost of participation in the FM's event will be \$30 per person. The cost includes wine sampling, a large charcuterie board spread and light appetizers.

# TYC PONTCHARTRAIN FOUNDATION

The next board meeting will be on Tuesday, February 10th at 6:00 PM.

The Mission and Purpose of the foundation in part is as follows (for a full copy of the Articles of Incorporation, please ask one of the foundation board members):

## ARTICLE 3: PURPOSE

**3.1 Purpose and Mission Statement** TYC Pontchartrain Foundation, Inc. is a non-profit corporation and shall operate exclusively for educational and charitable purposes within the meaning of Section 501(c)(3) of the Internal Revenue Code, or the corresponding section of any future Federal tax code.

The specific mission/purpose of the TYC Pontchartrain Foundation is to positively impact lives by providing accessible educational and recreational opportunities on Lake Pontchartrain and benevolence for everyone, regardless of ages, sex, race, ethnicity, background, mental or physical abilities or ability to pay, thus providing access to a community asset that has been historically inaccessible to large segments of the population.

The TYC Pontchartrain Foundation shall enhance access to the Lake Pontchartrain area by utilizing the sport of sailing, and boating in general, as a platform to emphasize safety on the water, to develop independence and self confidence, improve communication, foster teamwork, as a platform for career development opportunities, and to acquire deep respect of the marine environment.

The TYC Pontchartrain Foundation will provide a regional educational program to develop water and boating activities on Lake Pontchartrain and provide improved access to boating activities.

The club has been busy these past couple of months despite being the “slow” season for boating. The Christmas Parade and parties as well as the New Year’s Eve gala kept things hopping and the trend continues. I do hear consensus that people are ready for the winter weather to abate and bring back more moderate temperatures. The winter solstice occurred on Sunday, December 21, 2025. It is actually an exact moment in time (not a full day) and was at 9:03AM CST. The solstice is when the Earth's North Pole reaches its maximum tilt away from the Sun, resulting in the shortest day and longest night of the year for us in the Northern Hemisphere. It marks “the first day of winter.” However, from that day onward, the daylight grows progressively longer each day. The gain is neither quick nor linear. It starts with a few seconds per day. Today we gained 1 minute and 24 seconds compared to yesterday. By now, the gain is noticeable – we have added about 27 minutes of sunlight a day since December 21<sup>st</sup>.

## JANUARY RACING

We had four weekly WedNite learning sessions - *Racing Rules Refresher*, courtesy of David Dellenbaugh, <https://www.speedandsmarts.com/>. David’s site offers many other online courses including learning the rules, becoming a better crew and several aimed at improving your racing performance. He was accompanied by Dave Perry, a well-known author of the series *Understanding the Racing Rules of Sailing*. For the seminar Dave Perry handled most all the Q&A, which was archived as a google doc and the attendees have access to it. We enjoyed “burger, beers and lies” and had a good turnout for the series. Thanks to all who attended. Thank you to Michelle and Vince for the screen and projector set up.

Commodore Nick Colletti attended the GYA Annual Winter Meeting on January 10<sup>th</sup> at Pensacola Yacht Club. He connected with fellow GYA members and gained further insight into the workings of the GYA. As the TYC rep for GYA, I also serve on the Offshore Council. A notable change adopted last year for the GYA Offshore Challenge Cup is now that two clubs may combine to form a team. This year the Offshore Council is proposing a rules change to disallow “dinghy style” boats to keep the fleet more “apples to apples” in terms of design. Time will tell whether the GYA clubs overall will be receptive.

## **EZ RATINGS**

The entire GYA has now migrated to the use of EZ ratings for handicap fleets. We will be using the EZ rating system going forward. This begins with the start of WedNite races on March 11<sup>th</sup>. To obtain or renew your EZ certificate for 2026, please go to: [https://www.regattaman.com/certificate\\_page.php#](https://www.regattaman.com/certificate_page.php#). We plan to have sessions to discuss the details of the system application and what method of scoring makes sense for our fleet.

## **TYC JUNIOR SAILING / TYC PONTCHARTRAIN FOUNDATION**

We added three additional Optimist dinghies to our fleet and now have a total of seven Optis available. They are all ready to go but one or two can use a little work prior to summer sail camp. The boats were obtained from the LJT Youth Sailing Program/Pelican Yacht Club in False River, LA as they have changed to a different training boat. We got a really good deal for the boats/rigs and two dollies with funding provided by the TYC Pontchartrain Foundation.

**Junior Sail Camp** weekly sessions this year are as follows:

Session One: June 1—June 12

Session Two: June 15—26

Session Three: July 6—17

Full details and online registration will be available through our website soon!

The **TYC Pontchartrain Foundation** is a fully accredited 50(c)(3) entity and all contributions are fully tax deductible. **Big News - major tax rules change for 2026:**

**Non-Itemizers:** Individuals can deduct up to \$1,000, and married couples filing jointly can deduct up to \$2,000 for cash gifts to qualified charities (excluding donor-advised funds and \*private foundations).

\*The TYC Pontchartrain Foundation is designated as a public benefit corporation.

Contact me or any of our TYC Pontchartrain Foundation Directors when you are ready to consider a donation.

The new website is now accessible online—so check it out! More links will be added in phases based on importance. There is already a plethora of information about our club, including a real-time calendar of events and activities and rentals scheduled. It's a great source of information.

This event will be open to all members of TYC and we highly suggest that any of our wine drinking members participate, as we will be adding some of these wines to our current wine selections at the bar. The cost of participation in the event will be \$30 per person and includes wine sampling, a large charcuterie board spread and light appetizers.

Amythist Kearney has graciously donated beautiful custom-made pillows to be raffled. Raffle tickets are \$1/each or 6 for \$5. Winner does **NOT** need to be present, but make sure your name and phone number are clearly marked on all tickets. The pillow basket raffle will take place on Friday, February 27th at the wine tasting event.

The Guatemala mission: A donation box will be placed in the clubhouse for a donation run to Guatemala in 90 days. *Tasty Thirsty Thursday*

**DID YOU KNOW** our talented TYC member and TYC Pastor Dirk Van Iterson recently revealed a hidden skill – piano tuning! Thanks to Dirk, our club piano is now perfectly tuned and ready to shine.

After spending years tucked away in the kids/storage room, the piano has found a new home at the heart of our front dining area, making it a centerpiece for everyone to enjoy.

To celebrate, we're excited to announce that Michael Schunior will be performing live on the piano during our upcoming Tasty Thirsty Thursday event on February 12<sup>th</sup>. Get ready for an evening filled with beautiful melodies and great company (and food, of course).

**DID YOU KNOW** this piano contains a special piece of club history: this very piano was personally signed by the beloved local legend, the late Ronnie Kole – a cherished TYC member, singer and pianist. Now you know the story behind our club's musical treasure.

Please feel free to contribute stories like this about yourself or your past or current adventures that our members would like to hear about. Send to [WendyQuillin@gmail.com](mailto:WendyQuillin@gmail.com) or by text to (504) 881-0382 and pictures if you have them!

# EDITOR'S COMMENTS

**WENDY QUILLIN**

Ahoy all and welcome to the February issue of SpyGlass.

It is with great enthusiasm and honor that I write to you today as both the editor of SpyGlass and a newly elected Member-at-Large on the Board of Directors. I am thrilled to embark on this journey with you and to help steer our club toward even greater adventures on and off the water.

TYC is a vibrant club built on camaraderie, shared passion for sailing, and a commitment to fostering lifelong friendships. Over the last several months, our club has grown and flourished thanks to the dedication of its members and the leadership of this Board. I am grateful for the opportunity to serve you all in this new capacity and to help shape the future of our club.

As a Member-at-Large, I will be representing the interests and voices of all members. My goal is to ensure open communication between the Board and our membership. I encourage you to reach out with ideas, concerns, and suggestions—your input is invaluable as we plan upcoming events, races, and improvements to our facilities.

This newsletter aims to keep you informed and engaged. Look for regular updates, member spotlights, event recaps, and helpful tips for enjoying your time on the water and at TYC. If you have news to share, stories to tell, or photos from your latest sailing adventure, please send them my way—I would love to feature them in upcoming issues.

Thank you for welcoming me onto the Board of Directors and entrusting me with this dual role. Together, I am confident we will continue to make TYC a place where memories are made and friendships set sail.

Wishing you fair winds and following seas,

*Wendy Quillin*
