EDITOR'S COMMENTS

WENDY QUILLIN

June is here, and before anyone panics: yes, this *is* the June issue of the *Spy-Glass*. No, I don't know how it got finished either. Honestly, at this point, I think the newsletter just assembles itself out of pity.

Let's address the obvious: I was on vacation for almost the entire month of May. Not a long weekend. Not a quick getaway. **The. Entire. Month.**

While the rest of you were attending events, taking photos, and generally being productive members of society, I was off living my best life, drinking adult beverages, and forgetting that time exists. Meanwhile, back at TYC, the club was bustling with activity—and I missed just about everything that happened. Almost. I did return briefly to attend the Kentucky Derby Party and the Blessing of the Fleet.

Which brings me to the photos in this issue. You may notice they are shockingly good. That's because **someone else had to take all of them**, since I was nowhere near the club and should absolutely not be trusted with a camera anyway. Whoever stepped in: you are a hero. A saint. A better person than me. Please don't leave the club; I need you. Heehee! Thank you Linda Phillips, Rene Marques, Bobby Tassin and Bryon George for the pictures!

Putting this issue together felt like trying to rebuild a boat using only duct tape, hope, and secondhand stories from people who vaguely remembered what happened. At one point, I had three different event descriptions open, none of which matched, and one that I'm pretty sure was actually a recipe for fruit cake. I am not proud.

But despite my absence, the club thrived—because of our volunteers, our committees, and our members who show up, pitch in, and keep TYC running even when the editor is off sipping adult drinks and forgetting what day it is. You are the true heroes of this newsletter. I am merely the person frantically stitching it together at the last minute while muttering to myself.

So here's to June: sunshine, smooth sailing, and me trying to pretend I have everything under control after abandoning ship for most of May. If you see me at the club looking confused, sunburned, or slightly panicked, just gently remind me what month it is.

Wendy Quillin, Editor (against all odds)

COMMODORE'S CORNER

NICK COLLETTI

Fellow TYC members,

It is with an overflowing sense of pride and gratitude that I sit down to write this month's column. What we witnessed throughout May was nothing short of extraordinary — a club firing on all cylinders, with members showing up, participating, volunteering, and making Tammany Yacht Club the vibrant and welcoming place it has always been. The energy at every event was electric, from Derby Day all the way through the Fishing Rodeo and Steak Night, and each gathering reminded me of exactly why I am so honored to serve as your Commodore. This is not just a club — it is a family, and our May together proved that beyond any doubt.

I want to take a moment to recognize the power of member participation. Every event we hold, every gathering we plan, lives or dies by the willingness of our members to get off the couch, get out to the club, and be present with one another. You all showed up in tremendous fashion this spring, and it has set a wonderful tone for the summer ahead. I encourage every member — whether you've been with TYC for twenty years or twenty days — to look at the June calendar, pick an event or two, and get involved. Bring a neighbor, bring a friend, bring someone who's never been to a yacht club before and show them what we're all about. Our dock is always better with more boots on it.

Summer sailing season is upon us, and there is truly no better place to enjoy it than right here in Slidell, with Lake Pontchartrain at our doorstep and a crew of the finest people Louisiana has to offer at our backs. The board and I are committed to continuing to build on the momentum of this spring, and I am excited about what the rest of 2026 holds for our club. Thank you for your trust, your enthusiasm, and your friendship. Let's make this a summer to remember. Blue skies, calm waters, and TYC pride — that's the forecast, and I couldn't be happier about it.

Steady as she goes,

Nicholas Colletti

VICE COMMODORE'S CORNER

SANDY STONE

Hello everyone — and welcome to June. Somehow we blinked and spring turned into summer. School is out, graduates are celebrating, the days are warmer (and occasionally soggy), and yes... hurricane season is peeking around the corner. But for now, let's focus on the good things happening around our club.

We've just wrapped up an outstanding **Fishing Rodeo**, and what a success it was. Not only did it bring families and kids out on the water, it also provided a meaningful financial boost for the club. My sincere thanks to **Rene Marques and Mark Phillips** for their tremendous work organizing the event, and to every volunteer who helped keep the day running smoothly. It was a big lift — and absolutely worth it.

And speaking of getting kids on the water, the Fishing Rodeo directly supports one of the most important programs we run each year: **Summer Sail Camp**. Under the leadership of **Bobby Tassin**, volunteers have already been hard at work pulling boats from the racks, cleaning and repairing them, and sprucing up the juniors' dock. Before long, we'll see young sailors zipping around the harbor in their dinghies, trailed by our instructors who are equal parts coaches, cheerleaders, and air-traffic controllers.

There's truly no better way to show our community the value of sailing — fresh air, real-world skills, confidence, teamwork, and a break from screens. And this year, we're excited to extend temporary membership to Summer Sail Camp parents for the duration of camp, giving them a chance to experience the club for themselves.

I encourage all members to support this program by volunteering as an adult presence during camp sessions (you'll be indoors), and by offering a warm welcome to the parents you meet around the clubhouse. Your kindness and involvement make a real difference.

Thank you all for helping make TYC a place where families feel at home and where the next generation of sailors can thrive.

Wishing you fair winds and smooth sailing,

Sandy Stone

Welcome aboard to our newest TYC members:

RICHARD & STACEY TROSCLAIR

CHUCK & PAIGE SCOTT

We are so glad you found your way to our little corner of paradise on the water! The Tammany Yacht Club family just keeps growing, and every new face we see walking through our doors is a reminder of how special this community truly is. To our long-time members: thank you for being the backbone of what we do here. Your continued loyalty, enthusiasm, and friendship are what make TYC the incredible club it is. And don't forget — the best recruiter for new members is YOU. If you know someone who loves boating, the water, great food, great people, and a good time, bring them out to any of our events. We'd love to welcome them into the fold.

Membership at TYC comes with a full calendar of events, a community like no other, access to our beautiful facilities, and the kind of friendships that last a lifetime. For prospective members or anyone wanting to learn more about what TYC offers, the live calendar and membership information are always available at www.TammanyYachtClub.org. Please feel free to reach out to me with any membership questions — I'm always happy to talk about this club with anyone who will listen! The more, the merrier, and the dock is always big enough for one more boat.

Welcome to the crew,

FISHING RODEO COMMITTEE

RENE MARQUES & MARK PHILLIPS

Tammany Yacht Club Annual Fishing Rodeo: Boats, Bait, Boils & Barely-Avoided Disasters

The 2026 Tammany Yacht Club Annual Fishing Rodeo cast off on May 16th at The Blue Crab Restaurant & Oyster Bar and The Pointe Marina of Slidell, and it was everything a TYC event should be: lively, generous, delicious, slightly chaotic, and full of stories that will be retold at the bar for years.

This year's rodeo proudly supported the **Wish to Fish Foundation**, the **TYC Juniors Summer Sail Program**, and the **TYC Pontchartrain Foundation**—three causes that keep our community strong, our kids sailing, and our mission afloat.

18 Boats, 1 Sinker, 1 Swimmer

A fleet of 18 boats headed out onto Lake Pontchartrain, rods ready and spirits high.

Most returned triumphantly.

One... returned *slightly lower* than it left.

Yes—one boat sank, proving once again that the lake has a sense of humor. And as if to keep things balanced, one fisherman fell in, giving us the perfect “man overboard” subplot to round out the day. Both incidents ended safely, and both will be exaggerated wildly in future retellings, as tradition requires.

Crawfish, Music & Marina Mayhem

Back on land, the party was in full swing. Crawfish trays emptied as fast as they were filled, the music kept everyone moving, and the marina buzzed with laughter, fish tales, and the occasional “Did you hear about the boat...?”

The energy was pure TYC: warm, welcoming, and just unhinged enough to be memorable.

A Special Thank-You to The Blue Crab Restaurant and Owner, Nick Asprodites—Your support, partnership, and hospitality were instrumental in making this year's Fishing Rodeo a true success.

Prizes, Support & Community Spirit

Thanks to the generosity of our sponsors and participants, the event raised meaningful support for our youth sailors and community programs. Prizes were plentiful, competition was friendly, and the smiles were as big as the fish (and bigger than the egos of the ones who didn't catch any).

A Huge Thank-You to Our Sponsors

We extend our heartfelt appreciation to the businesses and individuals who made this event possible:

- **The Wine Market**
- **EMR Metal Recycling**
- **New Orleans Pool & Patio**
- **Cypress Cove Boating Center**
- **Golden Dragon Chinese Buffet**
- **Merritt McDonald Construction**
- **Chick-fil-A**
- **H-Worth Elevator Service**
- **911 Restoration**
- **K.B. Kaufmann & Co.**
- **American Crescent Elevator Manufacturing**
- **Phil's Marina Café**
- **Custom Craft Homes**
- **Manning Lumber & Marine**
- **Premier Concrete Leveling**
- **Edward Jones / Ovid Davis**
- **McDonough Marine Service**
- **Camellia Point Public House**
- **Nathan's Restaurant**
- **Deep South Dock**
- **Trimlight NOLA**
- **EMR Services**
- **Grillot Construction**
- **Deep South Dock**

Your support keeps our traditions alive and our programs thriving.

Until Next Year...

The fish may have been the stars, but the heart of this event was the community that showed up — to fish, to feast, to laugh, and to support the programs that keep TYC thriving.

And next year? We're aiming for **20 boats, zero sinkings, and only voluntary swimming.**

RACE

The Bill Watson Memorial Spring Series 2 was extended by one week to June 3rd. The race scheduled two weeks earlier was canceled due to weather, and that was the right decision.

The new “T” mark, courtesy of Bill and Susan Jobst is ready for deployment.

Being that the WedNite Spring series is wrapping up, the new “T” will be held until the fall rather than subject it to summer storms.

Meanwhile there is an orange “tomato” buoy on site for a temporary mark. Sailors, grab a beverage for Susan and Bill when you see them. Their very gracious support is much appreciated!

GYA CAPDEVIELLE RACING

TYC is being represented in the GYA Capdevielle series for 2026. Adam White leads the Viper 640 team and his crew includes Alan Case, and newer members Dave Quinlan, Fred Mannino and Rob Prince. They competed in the Mardi Gras Regatta at NOYC and the GYA Opening Regatta at BWYC. The last one sailed was the Spring Regatta, May 16th at Buccaneer YC on Mobile Bay. Cohen Gros, one of our Junior Sail Camp counselors crewed with Adam, Alan, Dave and Fred.

What goes up.....

Must come down.

Team TYC – Spring Regatta at Buccaneer Yacht Club

The next regatta is the Candler Regatta the weekend of June 6-7th at St Andrews Bay Yacht Club. Following Candler, Adam and crew will be providing the Viper for a day in each session of Sail Camp to introduce the kids to the high-performance dinghy that is the Viper 640.

WHAT IS THE GYA CAPDEVIELLE SERIES?

The GYA, “Gulf Yachting Association,” consists of over 30 yacht clubs all along the gulf coast spanning from Texas to Florida. TYC is a GYA member yacht club and as members, we all have reciprocal rights to visit the other GYA clubs.

The **Capdevielle series** consists of 12 regattas hosted at various GYA yacht clubs throughout each year. The Capdevielle series is a GYA interclub competition and each club is eligible for one entry, racing in the Viper 640 sailboat.

Dedicated in 1941 to the memory of Auguste Capdevielle, this trophy is one of the oldest and most prestigious in the Gulf Yachting Association. Auguste Capdevielle served as Commodore-President of the GYA during the years 1936 – 1939. He was also Commodore of the Southern Yacht Club, and for many years served as SYC’s Race Committee Chairman.

Please look for and welcome members Adam White, Rob Prince, Dave Quinlan, and Fred Mannino to Tammany Yacht Club as they will be the primary team campaigning in the Capdevielle Series. The Capdevielle weekend regattas are a fantastic opportunity to visit other yacht clubs and support the TYC team.

The TYC Viper scene is growing. We are adding some Sail Camp counselors to the mix and have our eye on several older junior sailors looking for the thrill of racing. The Parks’ boat is getting gussied up and soon, we will have two Vipers on the water! This allows for more sailors to join the fun and the two boats can practice together.

The TYC Fishing Rodeo was a tremendous success; *finally*, a beautiful weather day and good times had by all. Special thanks to Rene Marques for once again contributing his time, talent, resources, and sponsor connections. Mark and Linda Phillips also played key roles, with strong support from the Rodeo Committee and TYC volunteers. Many thanks as well to TYC member Nick Asprodites, owner of the Blue Crab Restaurant, for hosting, and to all of the generous sponsors. This event supports two outstanding causes: the Wish to Fish Foundation and the TYC Pontchartrain Foundation.

TYC Pontchartrain Foundation – Thank you to the members thus far who have contributed to this worthy cause! 2026 sail camp is here and now is a wonderful time to donate.

HOUSE COMMITTEE

MARILYN NAQUIN, HOUSE MANAGER

The clubhouse is buzzing with activity, and we're keeping everything running smoothly, with just a few changes beginning this month.

As Nick has stated in a previous notice to our members, we are facing increased costs on all fronts—increased rent, insurances, fuel surcharges, product costs, etc. As such, we have made a slight increase in the cost of our hamburger/hot dog plates on Wednesday nights and we have instituted a small cost in respect to items that were previously provided to our members and guests at no cost.

Beginning June 1, the following changes will be instituted:

- Wednesday Burger Night will increase from \$8.00 to \$9.00 per person,
- Fountain drinks will now be \$1.00 and will include free refills,
- Mocktails will now be \$3.00 each,
- Snacks, such as chips, crackers, and/or cookies, will be kept behind the bar and will be available for purchase at \$0.50 per item.

We sincerely hope these modest adjustments will help us continue providing the quality and value our members expect while keeping pace with rising costs.

We understand that any increase can be an adjustment, and we sincerely appreciate your understanding, support, and continued commitment to Tammamny Yacht Club. If you have any questions, concerns, or feedback, please feel free to reach out to the Board.

For these hot summer days, we'll be offering frozen drinks, beginning with the ever-popular **piña colada daiquiris**. Our plan is to feature a new flavor each month. Please share your thoughts and flavor suggestions with your bartenders.

Thank you to everyone who helps keep the club welcoming and comfortable.

Sincerely,

Marilyn Naquin

House Manager

First Mates

The next First Mates monthly meeting will be held on **June 4th at 5:30 PM**, and as always, it's a **members-only** gathering for our paid First Mates crew.

This month's agenda is a lively one — we'll be tackling:

- **Countertop & Coffee Bar Plans** — continuing discussion on replacing the rear dining room countertop and creating a proper coffee bar worthy of our caffeine-dependent membership.
- **Merch Logo & Colors** — choosing the official design and color scheme for First Mates merchandise (because we deserve to look fabulous while volunteering).
- **Interim Treasurer Appointment** — filling the Treasurer seat until our annual election in January.

We also want to extend a heartfelt thank-you to **Pam Redondo** for her service as Treasurer. Pam, your time, energy, and patience with numbers have not gone unnoticed. Enjoy your well-earned break from spreadsheets.

We'll be appointing an **interim Treasurer** to serve through the end of the year. If you've ever thought, *"Maybe I should get more involved..."* — this is your sign. First Mates is entirely volunteer-run, and the more hands on deck, the smoother this ship sails.

KEITH BOOS

TYC Annual Fishing Rodeo: Big Fish, Big Fun, and One Very Unplanned Swim

The 2026 Tammany Yacht Club Fishing Rodeo reeled in a fantastic turnout this year, with **18 boats** heading out onto Lake Pontchartrain in search of brag-worthy catches, tall tales, and maybe a little peace and quiet away from the dock. What we did *not* expect was a surprise entry in the “Most Dramatic Moment” category.

Sometime mid-morning, one of our participating boats decided it had contributed enough to society and promptly **sank**. Yes—down she went, like she heard the weigh-in was strict this year and simply opted out. Thankfully, our fishermen handled the situation with the kind of calm, capable energy that only comes from years of boating, fishing, and occasionally watching someone else’s cooler slide overboard.

All anglers aboard were **rescued safely**, soggy but smiling, and in true TYC fashion, the moment turned from crisis to camaraderie in record time. Our own **Keith Boos** stepped up in legendary fashion, literally giving one of the rescued fishermen **the shirt off his back**. If we gave out medals for sportsmanship, Keith would already have his framed.

The rest of the day carried on with sunshine, great catches, cold drinks, and plenty of laughter—especially once everyone realized the only thing hurt was a little pride and maybe a tackle box.

Below is the photo that captures the spirit of the day—the big smiles and the big reminder that at TYC, we always take care of each other.

“MEMBER SPOTLIGHT” is an article to learn more about our members - new and old. Please participate by providing me information about yourself, your family, work history, hobbies, other club memberships, an interesting story, some wonderful news, a great vacation, a life change, etc.
