

foster kinship

Safe Kids,
Healthy Futures.

Our free programs focus on increasing support for the entire kinship family, protecting vulnerable children, equipping caregivers to provide stable, safe and permanent placements, preparing children and adolescents for healthy futures, and improving the quality of life for kinship families in Clark County, NV. Thank you for joining us!

Utilized Support Group, Kinship Center and Referral Services.

60 Caregivers

At support monthly support groups.

Delivering Core Programs: Our priority is refining and delivering on our **foundational services** designed specifically for kinship families. Through our Support, Advocacy, Case Management, and specialized Kinship Trainings we have improved the lives of **713 families**.

Prioritizing Partnerships: We are proud of the partnerships we have forged with community organizations to advocate for **increased help** for kinship families. We partner with Department of Family Services, Peggy's Attic, all the Family Resource Centers, Fostering Southern Nevada, Compass Behavioral Health, Car Seats for Christy, The Center for Spiritual Living, and A Touch of Love to ensure **comprehensive support** for our families.

Volunteer Driven: Over **50 volunteers** faithfully reinforce the work of founder and director Alison Caliendo and two part-time employees.

Broadly Supported: Foster Kinship won **third place** for most number of unique donors in 2015 Nevada's Big Give. In 2015, **\$53K** was raised through individual donations, corporate grants and in-kind gifts, while total program cost was \$40K.

Forward Looking: The need for kinship family support remains great. While we have reached many kinship families in four years, we estimate that most children in kinship care are underserved. As the only organization in Clark County, NV dedicated to meeting the unique needs of **kinship families**, we look forward to continued growth and success in the years to come, and are proud to serve this important population of people who **"keep home in the family"** for some of Clark County, NV's most vulnerable children.
