WHEREAS, OmnifiCX, Inc. (“OmnifiCX”) is the owner and licensor of certain proprietary software applications and related services (the “Software”);

WHEREAS, Licensee desires to obtain a license to use the Software subject to the terms and conditions set forth in this Agreement;

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, the parties agree as follows:

## 1.0 DEFINITIONS

For purposes of this Agreement:

- 1.1 “**Software**” means all software products, modules, applications, tools, components, patches, updates, upgrades, bug fixes, enhancements, modifications, improvements, interfaces, connectors, APIs, integrations, and all documentation (user manuals, on-line help, guides) provided by OmnifiCX under this Agreement.
- 1.2 “**Licensee**” means the individual or legal entity that has accepted this Agreement, and includes its employees, contractors, agents, subsidiaries, and affiliates, as authorized to use the Software under this Agreement.
- 1.3 “**Authorized Use**” means use of the Software by Licensee strictly in accordance with the license metrics, scope, purpose, and user limits assigned (device count, users, seats etc.), and any applicable usage rules, policies, or documentation.
- 1.4 “**Territory**” means all countries in which the Licensee is authorized to use the Software, subject to any restrictions imposed by export control or other laws.
- 1.5 “**Subscription Term**” means the period for which the Software (or any part thereof) is licensed to Licensee under a subscription model, as set forth in the order, quote, invoice, or other written agreement between Licensee and OmnifiCX.

---

- 1.6 **“Fees”** means the amounts payable by Licensee for the license, subscription, maintenance, support, or other services, as described in the applicable ordering document or OmnifiCX’s published price list.
- 1.7 **“Affiliate”** means any entity that controls, is controlled by, or is under common control with a party, where “control” means ownership of fifty percent (50%) or more of voting securities or other interest having the right to vote for the election of directors or equivalent governing body.

## 2.0 GRANT OF LICENSE & SCOPE

- 2.1 **License Grant:** Subject to Licensee’s compliance with this Agreement (including payment of all Fees), OmnifiCX grants Licensee a **non-exclusive, non-transferable, non-sublicensable, revocable**, limited license to access and use the Software via cloud delivery solely for Licensee’s internal business operations, during the Subscription Term or license-term specified, and only as expressly permitted in the ordering document or quote.
- 2.2 **License Metrics & Limits:** Licensee’s right to use the Software is subject to the license metrics quoted (for example, number of users, seats, devices, installations, processors, CPU cores, transactional volumes, etc.). Any usage exceeding those metrics requires additional license purchase by Licensee.
- 2.3 **Permitted Territory:** Licensee may use the Software only in the Territory as defined and permitted under applicable export laws and as specified in the ordering documents.

## 3.0 LICENSE RESTRICTIONS & PROHIBITED USES

Licensee shall **not**:

**7.2 Restrictions:** Licensee acknowledges that the Software and its underlying technology may be subject to export, re-export, or transfer restrictions. Product support includes assistance with the use, operation, and performance of the Product.

**8.2 Updates & Upgrades:** During the Subscription Term, OmnifiCX may, at its discretion, provide updates, upgrades, or enhancements to the Product. These may include bug fixes, patches, new **versions**, or functional improvements, and are subject to the terms of this Agreement. The Licensee may choose whether to install updates; however, OmnifiCX strongly recommends the prompt installation of any critical security or performance updates.

**8.3 Service Level Agreement:** Product support services provided under this Agreement shall be governed by OmnifiCX's standard Service Level Agreement ("SLA"), which is incorporated herein by reference.

**8.4 Excluded Services:** Any services unrelated to the Product itself, including but not limited to implementation, configuration, integration, training, customization, or ongoing managed services, are not covered under this Section 8.0 and shall be governed by separate terms and arrangements with the relevant service provider.

**8.5 Service Availability & Uptime:** OmnifiCX endeavors to provide continuous access to the Software with a target uptime commitment of ninety-nine point nine percent (99.9%).

---

during each calendar month, excluding scheduled maintenance windows and events beyond OmnifiCX's reasonable control. Scheduled maintenance shall be communicated to Licensee at least [48] hours in advance. In the event of failure to meet this uptime commitment, Licensee's sole and exclusive remedy shall be a service credit proportional to the downtime, as detailed in OmnifiCX's Service Level Agreement (SLA). This commitment shall not apply to unavailability caused by factors outside OmnifiCX's reasonable control, including but not limited to Force Majeure events, Licensee's misuse, or third-party failures.

- 8.6 Disaster Recovery & Business Continuity:** OmnifiCX maintains disaster recovery and business continuity plans designed to restore critical services in the event of a disruption. OmnifiCX commits to recovery time objectives ("RTO") and recovery point objectives ("RPO") consistent with industry standards and as described in the applicable SLA. Licensee acknowledges that actual recovery times may vary depending on the nature and severity of the incident. OmnifiCX will notify Licensee promptly in the event of a disaster or major service disruption impacting Software availability.
- 8.7 Use Reporting & Monitoring:** Licensee acknowledges and agrees that OmnifiCX may collect and monitor usage data, including but not limited to user counts, transaction volumes, system performance metrics, and feature utilization (collectively, "Usage Data") through automated means. Licensee shall not interfere with, disable, or block such data collection or telemetry. Licensee's use of Beta Features is voluntary and at Licensee's sole risk.

## **10.0 Third-Party Applications and Integrations**

The Software may enable or support integration with third-party applications, services, or components ("Third-Party Applications"). Licensee acknowledges and agrees that such Third-Party Applications are not provided or controlled by OmnifiCX. OmnifiCX disclaims all warranties and liability arising from or related to Licensee's use of Third-Party

---

## 11.0 INDEMNIFICATION

**11.1 By Licensee:** Licensee shall defend, indemnify and hold harmless OmnifiCX, its affiliates, officers, directors, employees, agents, and licensors from and against any and all claims, liabilities, losses, damages, costs and expenses (including reasonable attorneys' fees), arising out of or related to:

This indemnity does not apply to infringement claims arising from modifications, combinations, or use of the Software in a manner not authorized in this Agreement.

## 12.0 WARRANTY DISCLAIMER

**14.6 End-of-Term Data Access & Portability-** Upon expiration or termination of this Agreement for any reason, OmnifiCX shall, upon Licensee's written request made within thirty (30) days after termination, provide Licensee with access to export Licensee Data in a commonly used electronic format. Licensee acknowledges and agrees that after such thirty (30) day period, OmnifiCX may delete or otherwise dispose of Licensee Data in accordance with its data retention policies and applicable law. Licensee is responsible for exporting and securing its data prior to the expiration of this period.

**14.7 Termination for Repeated SLA Breaches:** In addition to the termination rights set forth above, Licensee may terminate this Agreement upon thirty (30) days' written notice if the Software fails to meet the uptime commitment described in Section 8.5 for three (3) or more consecutive calendar months, or four (4) months in any rolling six (6) month period, provided that:

- a) Licensee has timely reported each such SLA breach to OmnifiCX in writing;
- b) Licensee has cooperated with OmnifiCX in troubleshooting and remediation efforts;
- c) OmnifiCX has failed to implement a commercially reasonable plan to prevent further breaches.

Upon such termination, Licensee shall be entitled to a pro-rata refund of any prepaid, unused Fees for the remainder of the Subscription Term.

## **15.0 DATA PROTECTION & PRIVACY**

OmnifiCX shall notify Licensee of any changes to data center locations that may affect data residency.
- 15.5 Subprocessors:** OmnifiCX currently does not engage any subprocessors for the provision of the Software. Should OmnifiCX intend to engage subprocessors in the future, OmnifiCX shall provide Licensee with written notice detailing the identity and location of such subprocessors and the processing activities they will perform. Licensee shall have the right to object to the use of a proposed subprocessor within fifteen (15) business days of receipt of such notice. If Licensee objects, the parties shall discuss in good faith to find a mutually acceptable solution.
