# When You *Arrive*

Park in our designated lot.

Head directly to our Pick-Your-Own trailer,  
where a staff member will greet you.

At the trailer, you'll select your container size,  
pay, and be shown what areas are being  
picked at the time of your visit.

The container you're given to pick into is  
yours to take home!

# What to *look* for in a Blueberry:

---

 Deep blue color with a light silvery "bloom"

 Plump, firm berries

 Berries that come off with a gentle roll

 Red, pink, or green berries as they won't ripen after picking

 Wrinkled, shriveled, or mushy berries

 Don't pull! If it doesn't release easily, it's not ready!

# Keep Them *Fresh*

Keep berries cool and out of direct sunlight on the ride home.

Wait to wash until you're ready to eat.

Refrigerate in a shallow container and enjoy within 5–7 days.

Freezing? Spread berries on a baking sheet until frozen, then transfer to a freezer bag for up to 10 months.
