Dear Parents and Carers,

It's been another busy week at St Albans with lots of positive news to share! Routines are well established in school and children are settling well into their new classes.

Zones of Regulation Training

This week, our staff participated in training on the *Zones of Regulation*, a fantastic approach that helps children better understand and manage their feelings. We believe this will support our pupils in developing deeper emotional awareness. For more information on Zones of Regulation, please visit this link. Year 5 Parish Mass

Our Year 5 pupils attended parish mass this week and thoroughly enjoyed the experience. The parishioners shared some wonderful feedback about the children's participation and enthusiasm — it was lovely to see such a strong connection between the school and parish community.

Parishioner quote:

"It was wonderful to see the children so engaged and respectful during the mass. Their enthusiasm truly brought joy to our community."

Parent Code of Conduct

Please find a link to our *Parent Code of Conduct* here. We kindly ask all parents to be supportive and respectful towards our staff. It's important to foster a positive environment where everyone feels valued. Please note that actions not aligned with this code may result in necessary follow-up to ensure a safe and welcoming space for all.

Family Fitness Club

A reminder about the *Family Fitness Club* held every Friday after school. It's a fantastic way to promote wellbeing and enjoy family fun together. We encourage you to join in!

Parent quote:

"The Family Fitness Club is such a fantastic way for us to spend quality time together while staying active. My kids love it, and it really brings out the fun in fitness!" -Parent

Harvest Collection

We are currently collecting donations for our Harvest collection. If anyone would like to contribute, please send in non-perishable food items. Your generosity is greatly appreciated and will help support those in need in our community.
