

🍂 Early Years Newsletter - October 2025 🍂

Dear Families,

The children have settled beautifully into our routines, and it's been wonderful to see their confidence and curiosity growing each day. This month has brought lots of exciting learning opportunities as we have explored the changes in the season and celebrated some special autumn events together.

🍁 Our Learning This Month

We have been exploring:

- Ourselves and our families - through stories and photos.
- Colours and textures - using natural materials for art and sensory play.
- Early literacy and numeracy - through songs, rhymes, and counting activities.

We encourage you to chat with your child about what they notice outdoors — the colours, sounds, and smells of autumn!

🛒 Reminders

- Please label all jumpers, coats, and hats — the weather is changing, and we're spending plenty of time outdoors!
- Send in a named water bottle each day.
- If you have any autumn treasures (leaves, pinecones, conkers), we'd love to add them to our nature table.

A Peek Into Our Play

Remember you can see more of what we have been doing through our Facebook posts and our school website.

Thank you for your continued support and partnership.

Wishing you all a cozy, colourful October half term!

The Early Years Team
