

# Early Years Newsletter - November 2025

Dear Families,

November has been full of exciting learning opportunities for our little ones. Here's a look at what we've been up to and what's coming next:

## Our Learning This Month

We have been exploring:

**Autumn Changes:** The children have explored the beautiful colours of autumn leaves and talked about how the weather is changing. In Nursery the children have been exploring autumnal animals, discussing what nocturnal means and thinking about why some animals hibernate in Winter.

**Bonfire Night:** We discussed firework safety and created bright, colourful firework art.

**Traditional Tales:** Reception have been focusing on the tale of *The Gingerbread Man*. They have retold the story and had lots of fun baking and decorating their own gingerbread man.

## English Cafe

Thanks to all the adults who attended the English Cafes, where the focus was on vocabulary and communication. Look out for more in the new year.

## Reminders

- Please ensure your child brings a **warm coat and hat** each day.
- Send in a named water bottle each day.

Also, if you have an all-in-one waterproof or wellies, please send them in for outdoor play.

## A Peek Into Our Play

Remember you can see more of what we have been doing through our Facebook posts and our school website.

Children enjoy using the interactive white board in reception and their mud kitchen outside.

The nursery children have been enjoying their reading den and exploring Owl Babies in the maths area.

## December

We are now in full swing for Christmas. We have been learning our songs for the nativity and have enjoyed trying out the school stage.

Thank you for your continued support and partnership.

Looking forward to seeing you at our Christmas Productions

The Early Years Team
