Headteacher: Mrs C Yeoman

Dear Parents and Carers,

Welcome Back!

It has been so lovely to see all the smiling faces back in the school yard each morning. A very warm welcome back to all our children. It has been wonderful to see them coming through the gates each day, ready for the new school year. School life is certainly back in full swing!

The children have had a fantastic first week, settling into their new classes, getting to know their teachers and exploring their new classrooms. A huge thank you to all our staff for the time, care and effort they have put into making the classrooms look so welcoming and special for the children.

We would also like to extend a very warm welcome to all the new members of staff who have joined us this term. We are delighted to have you as part of our school community and wish you every success as you begin your journey with us.

Family Welfare and Attendance Support

Grant Short will be joining us this year to support our children and families. He will help promote good attendance, wellbeing and positive engagement with school, working closely with families to provide support and guidance where needed. Grant will also be out on the yard over the coming weeks, so please feel free to say hello and introduce yourselves.

Welcome to Our New Kitchen Team

We are also delighted to welcome our new kitchen team, led by our experienced chef, Jerry. Jerry and the team have been busy preparing some lovely meals for the children this week, and it has been great to hear such positive feedback from them already. We are looking forward to many more delicious and nutritious meals throughout the year.

Arbor Update

I would like to sincerely apologise for the issues and inconvenience some families have experienced this week. We have raised all of the concerns with Arbor and are working closely with them to get these resolved. I really appreciate your patience and understanding while we work through these issues.

Clubs Start Next Week

We are really looking forward to our after-school clubs starting next week. We will be offering a swimming club for non-swimmers, as well as football clubs for different age groups.

Please see the poster for further details and information on how to sign up.

Thank you, as always, for your continued support. It has been a really positive start to the new school year, and I am looking forward to all that we will achieve together over the coming weeks.

I hope you all have a lovely weekend, and I look forward to seeing everyone back in school on Monday.

Mrs Yeoman
